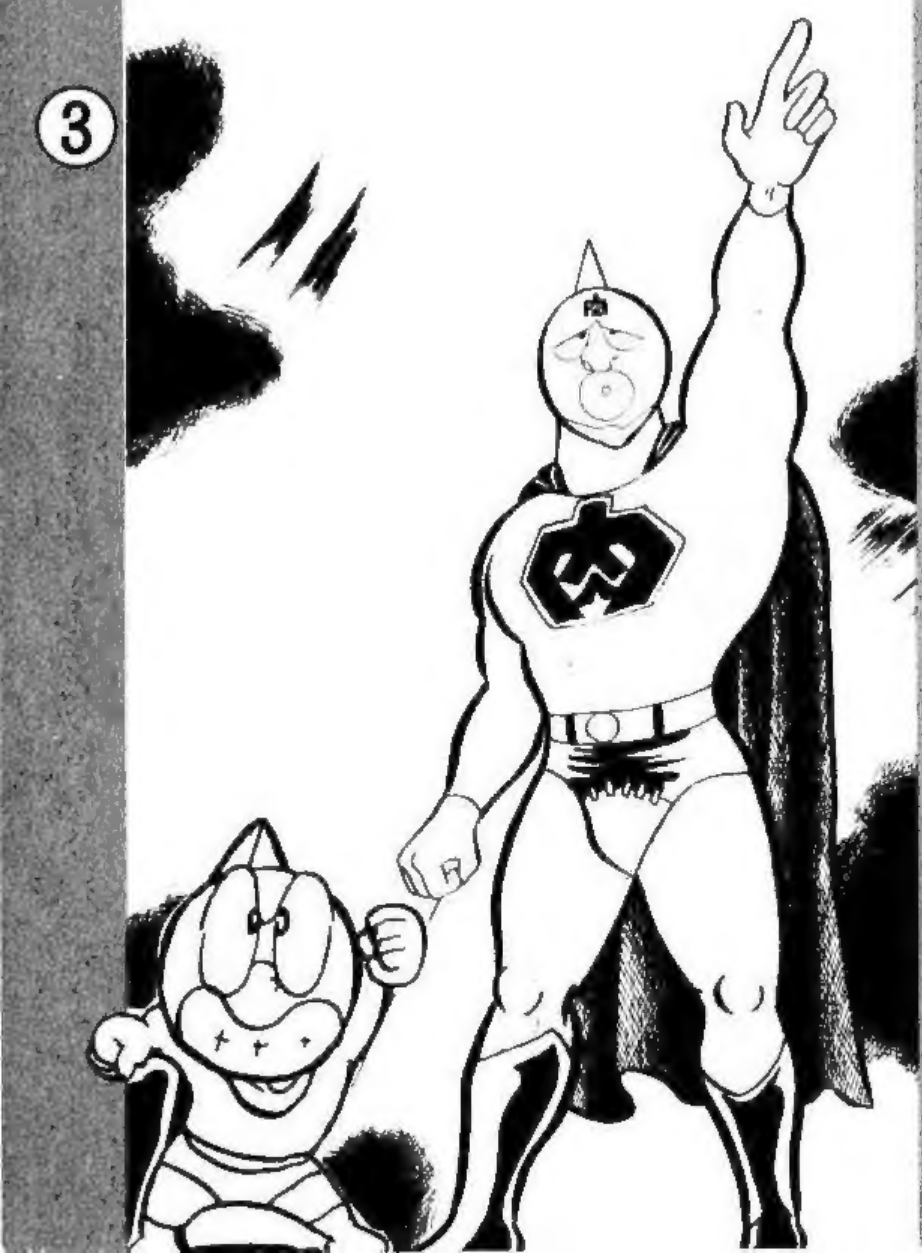
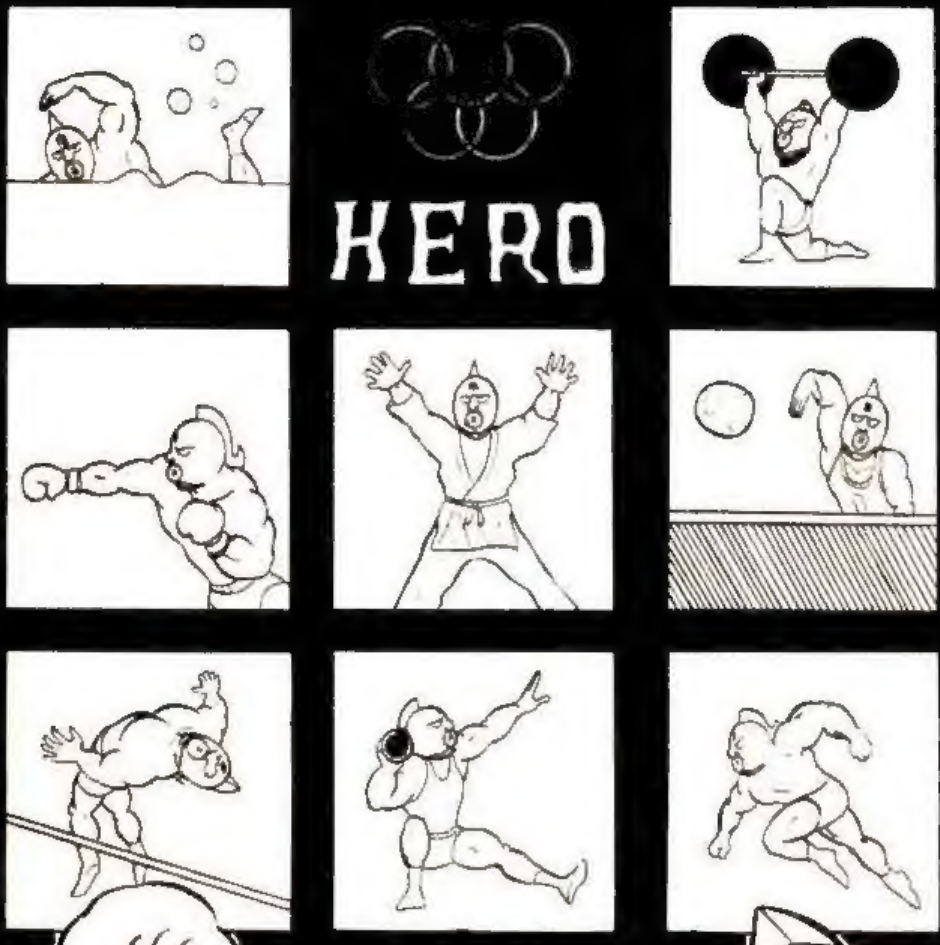
I Wanna Represent Japan!

YUDETAMAGO

3

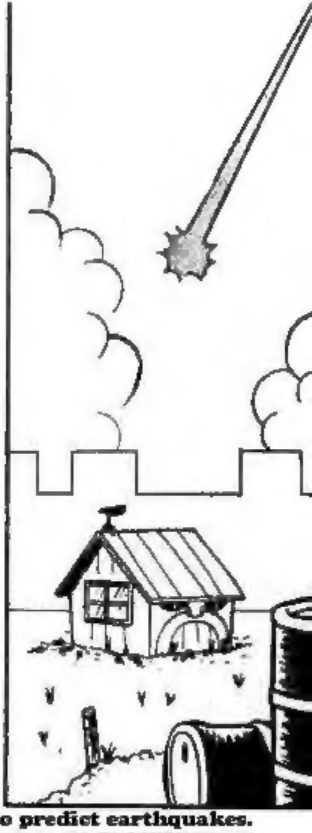


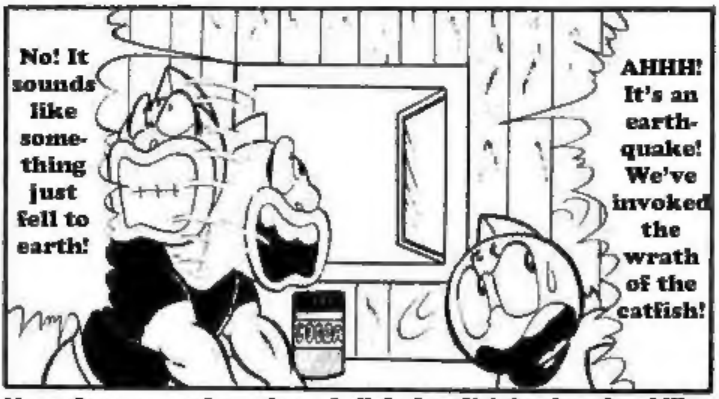
I WANNA REPRESENT JAPAN!



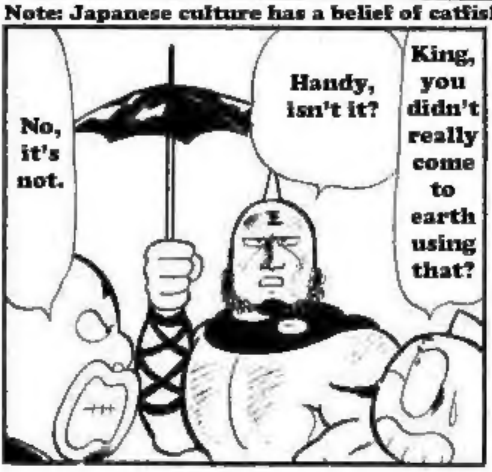
The chojin of the week, Robin Mask, was sent in by Yasunori Okashima of Osaka prefecture.

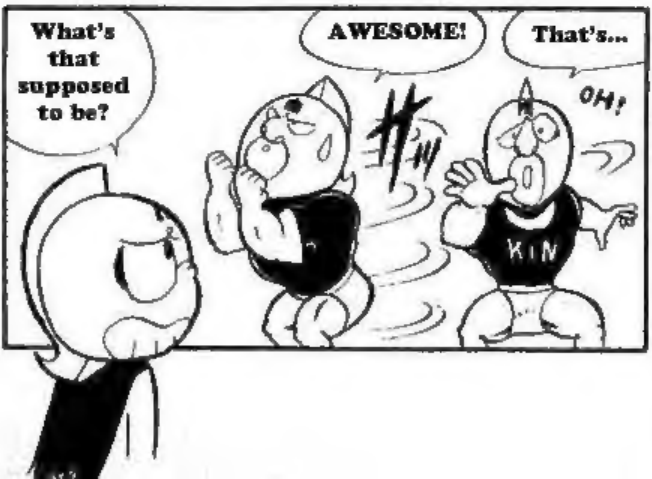
Translation: Stranger Ataru
Typesetting: Tash





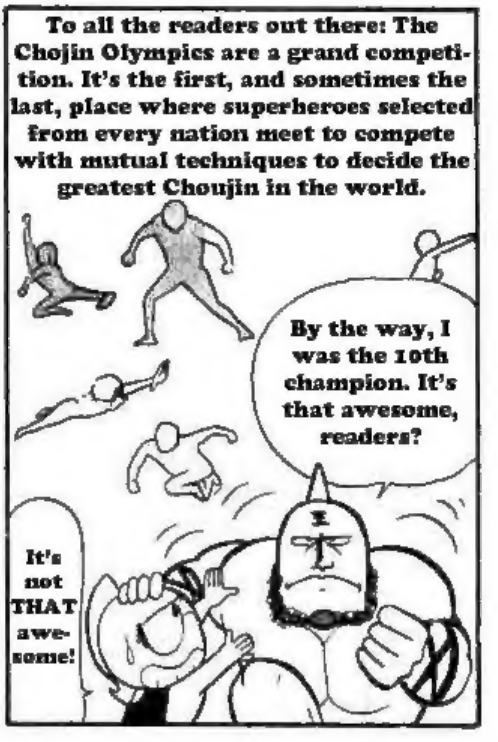
Note: Japanese culture has a belief of catfish having the ability to predict earthquakes.



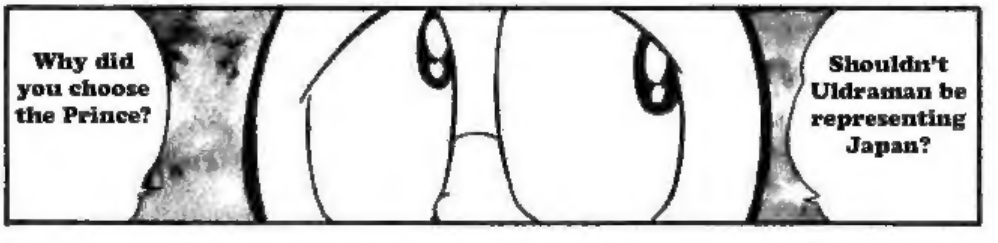


Wow.
Thinking about my glory days is getting me fired up!

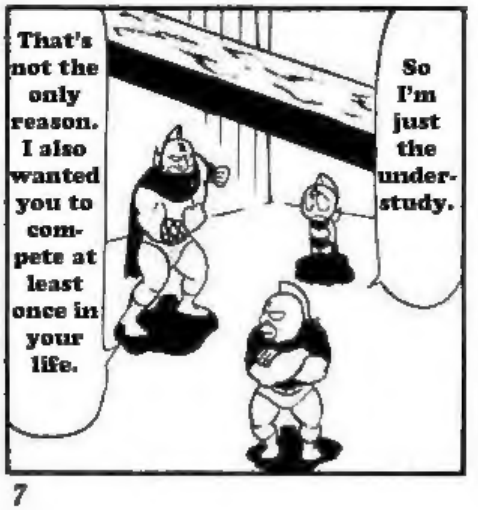
What am I!? A stove!?



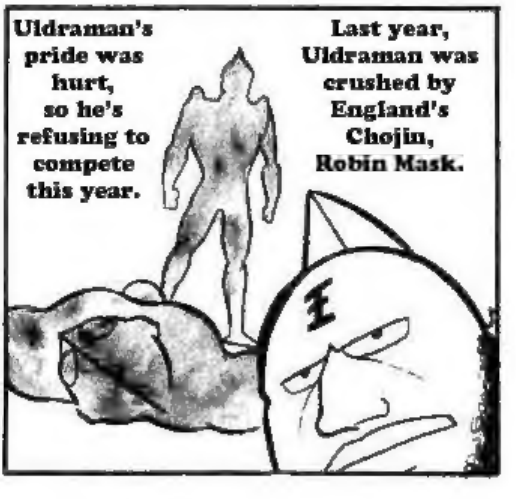
To all the readers out there: The Chojin Olympics are a grand competition. It's the first, and sometimes the last, place where superheroes selected from every nation meet to compete with mutual techniques to decide the greatest Choujin in the world.
By the way, I was the 10th champion. It's that awesome, readers?
It's not THAT awesome!



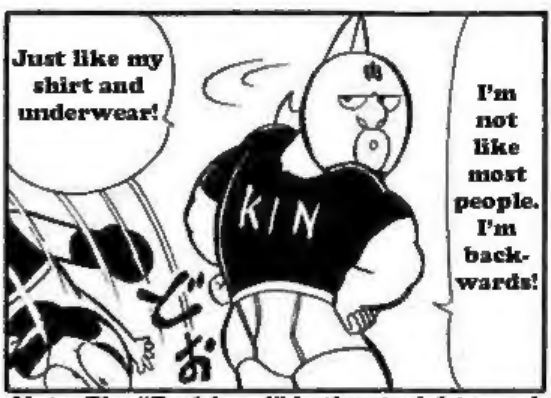
Why did you choose the Prince?
Shouldn't Uldraman be representing Japan?

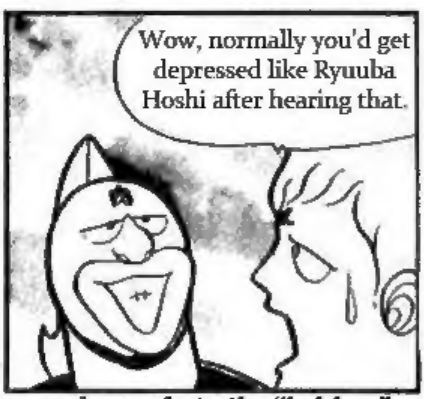


That's not the only reason. I also wanted you to compete at least once in your life.
So I'm just the understudy.

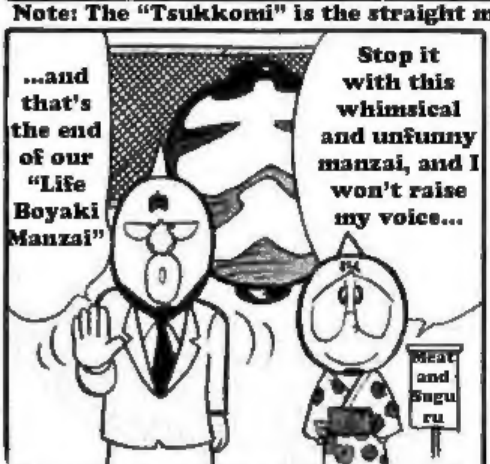


Uldraman's pride was hurt, so he's refusing to compete this year.
Last year, Uldraman was crushed by England's Chojin, Robin Mask.





Note: The "Tsukkomi" is the straight man in manzai comedy to the "bokken"



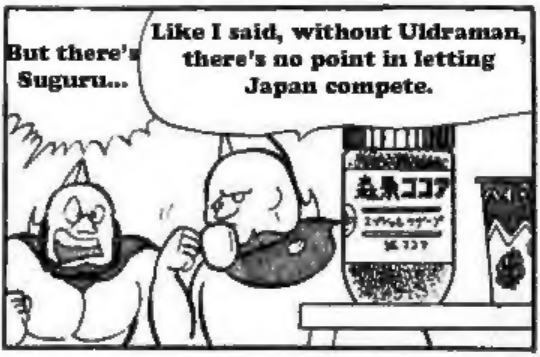
...and that's the end of our "Life Boyaki Manzai"
Stop it with this whimsical and unfunny manzai, and I won't raise my voice...
Meat and Sugu ru

"Boyaki Manzai" is a style of manzai

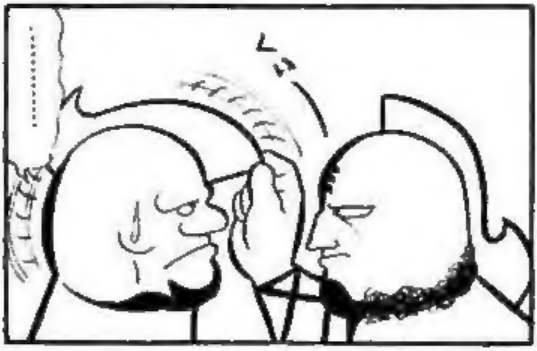
ドドン
EEEEEEK!
THIS ISN'T THE TIME FOR MANZAI!
Alright, I'll go talk to the committee about this.
You're a moron.
Oh.

The king is making his point with a Figure-Four Leglock!
おやー
バシバシ
Why can't Suguru enter the Chojin Olympics?!

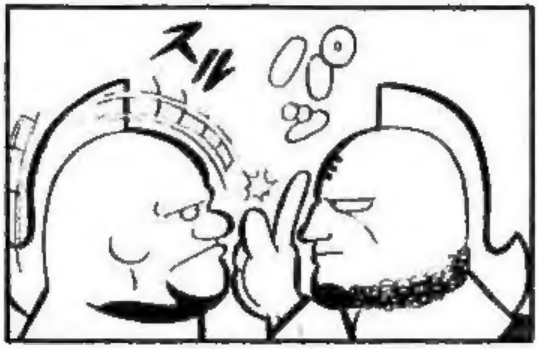
わはははは
Do you WANT to bring shame to Japan!? HAHA HA!



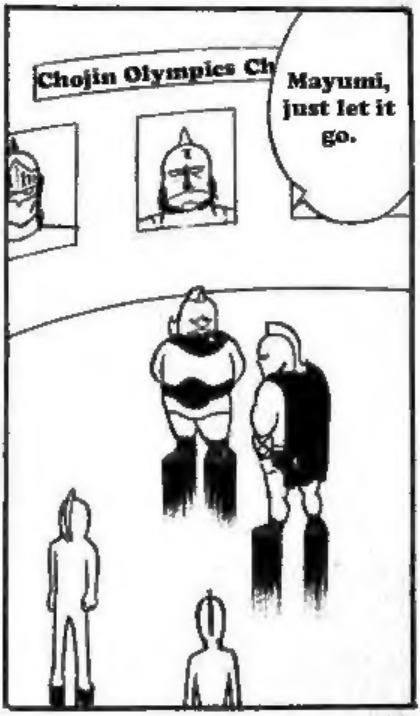
But there's Suguru...
Like I said, without Uldraman, there's no point in letting Japan compete.



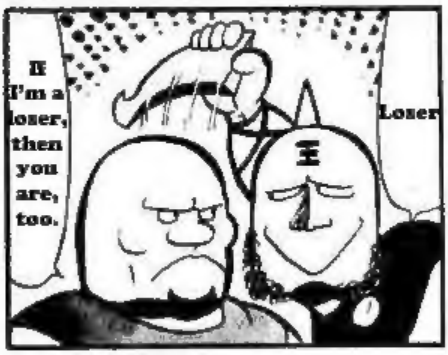
.....
ﾚﾗ



スル



Chojin Olympics Ch
Mayumi, just let it go.

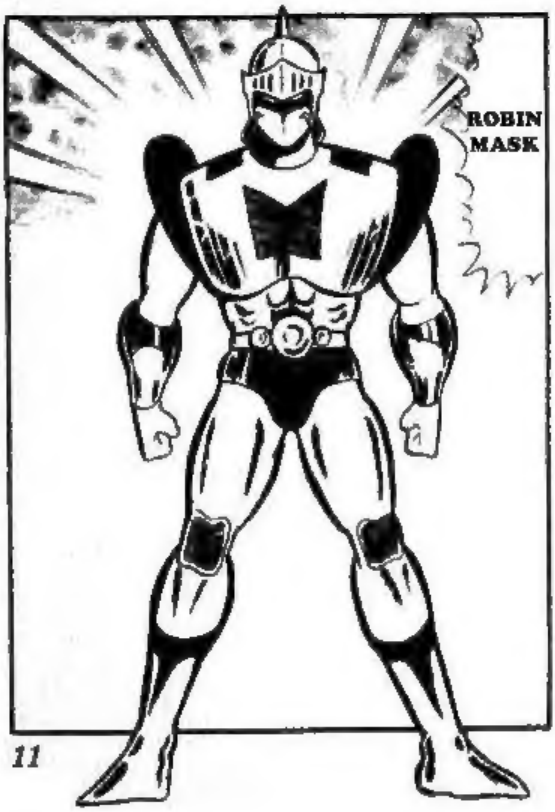


If I'm a loser, then you are, too.
Loser

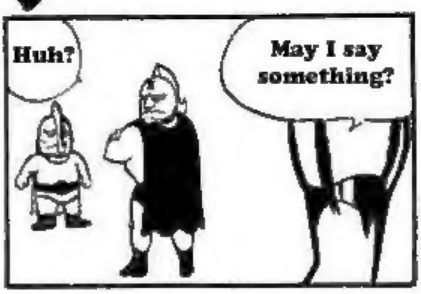
What are you going to do about THAT?

Hey, you put that back, this instant!

CRAP!

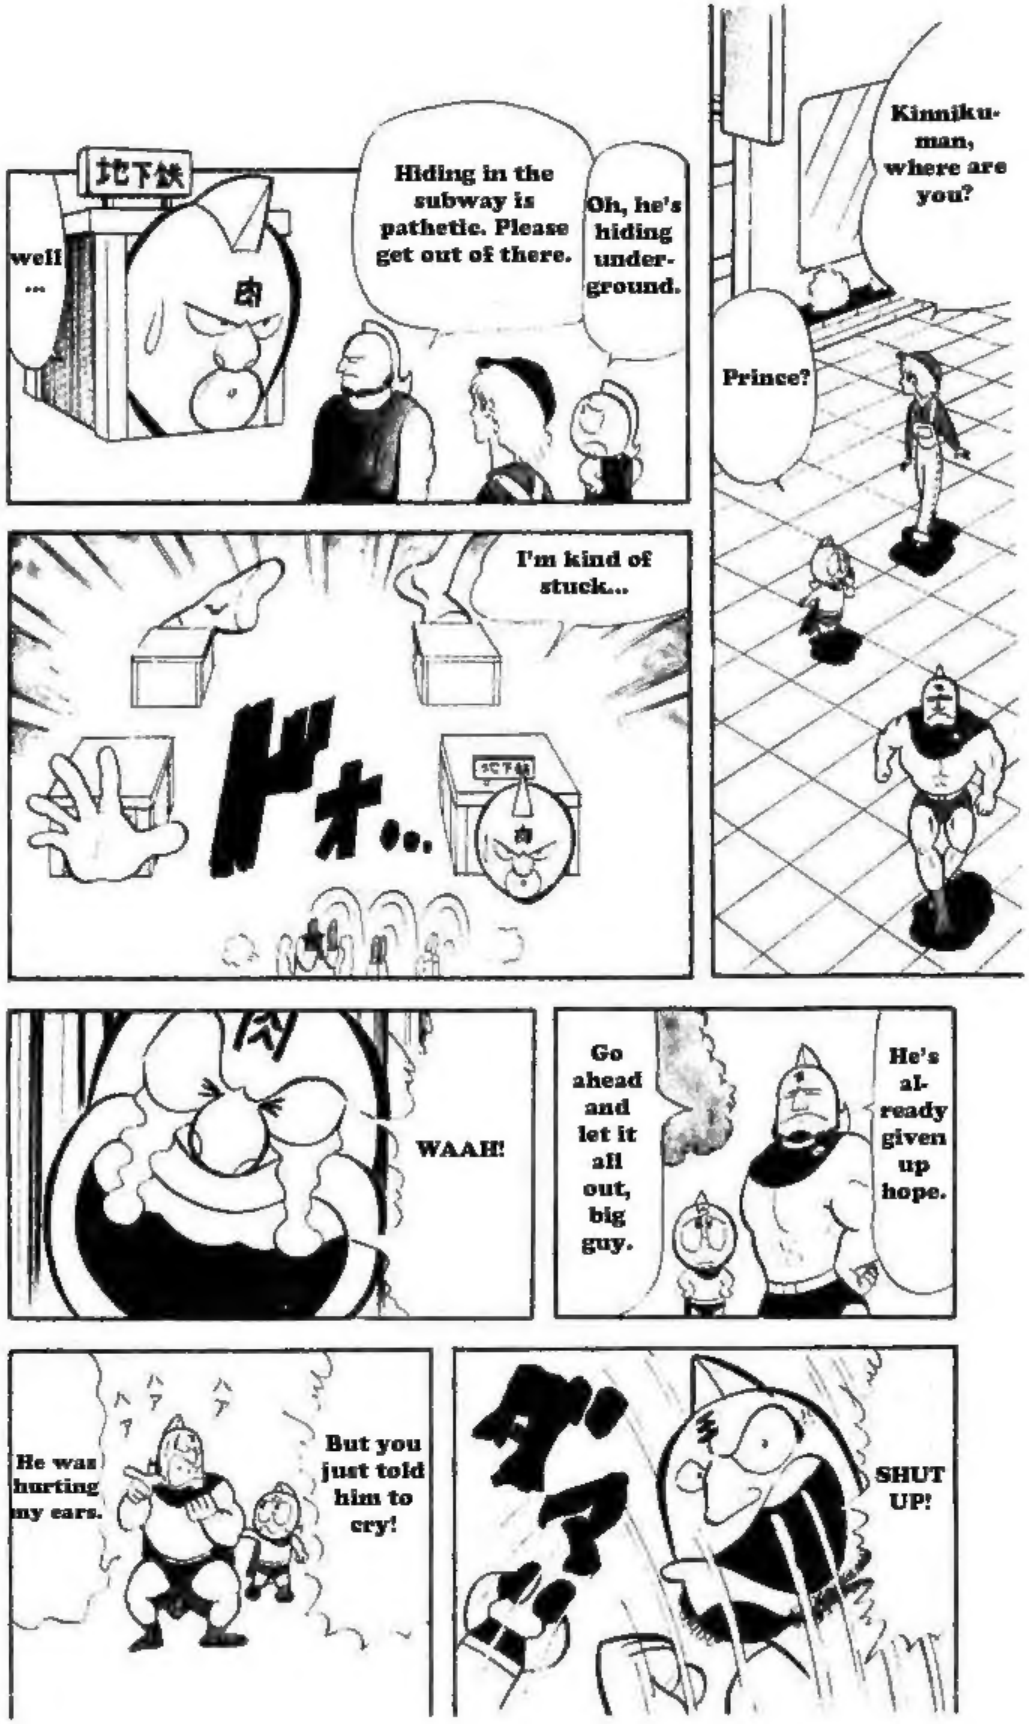


ROBIN MASK



Huh?
May I say something?

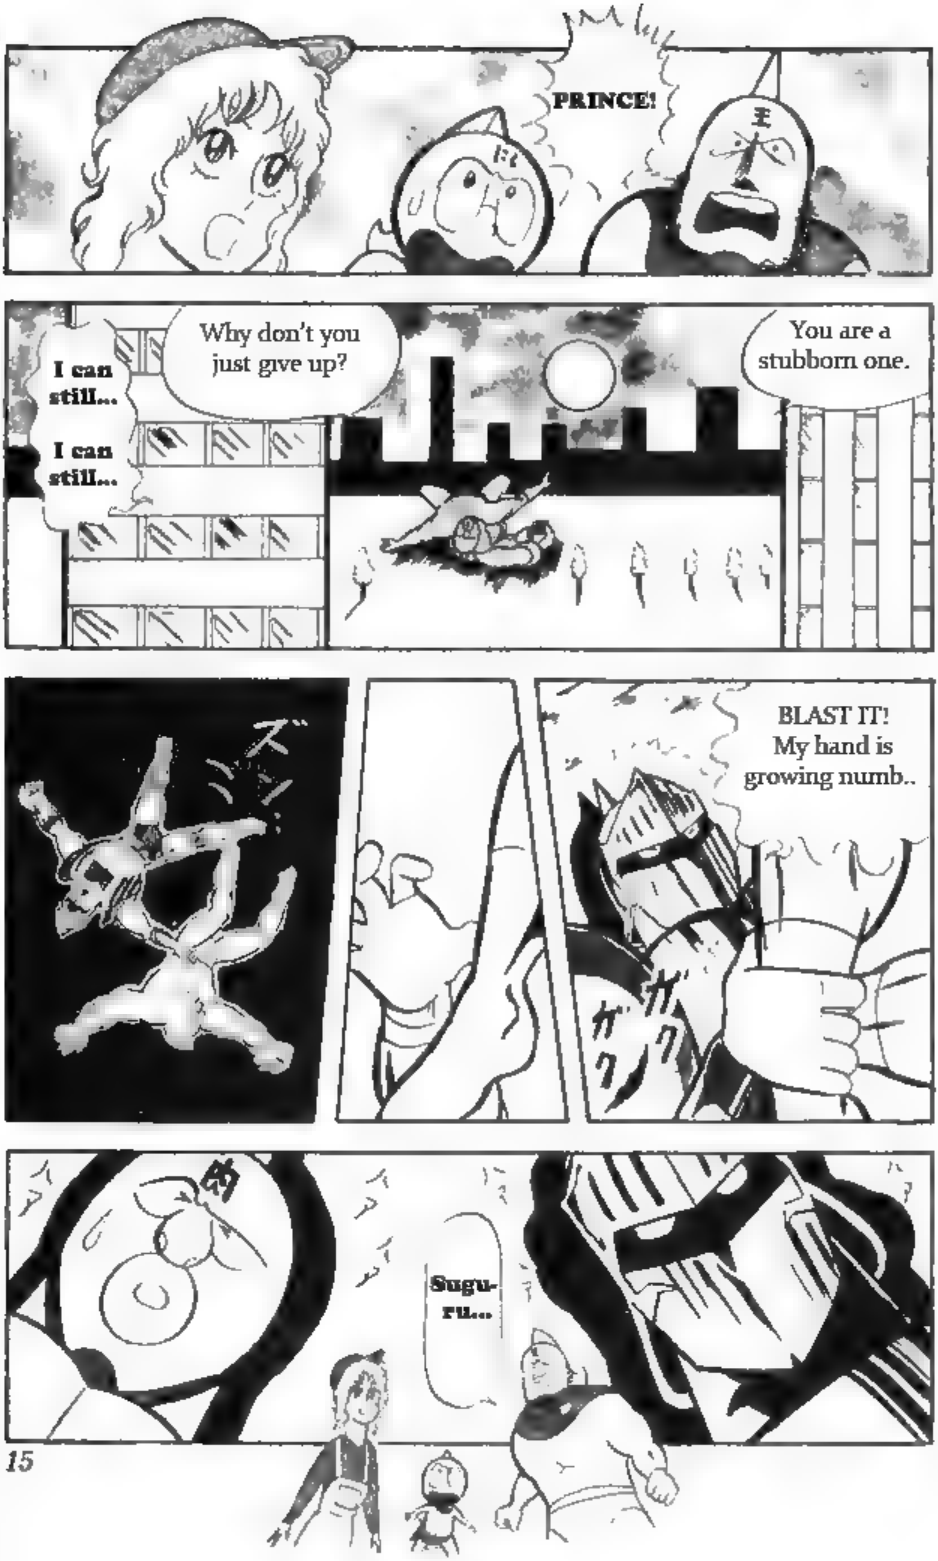
You're the brilliant chojin who gracefully took down Uldraman at last year's competition!



Kinnikuman, where are you?
Prince?
地下鉄
肉
well...
Hiding in the subway is pathetic. Please get out of there.
Oh, he's hiding underground.
I'm kind of stuck...
ドオ..
WAAH!
Go ahead and let it all out, big guy.
He's already given up hope.
He was hurting my ears.
But you just told him to cry!
SHUT UP!

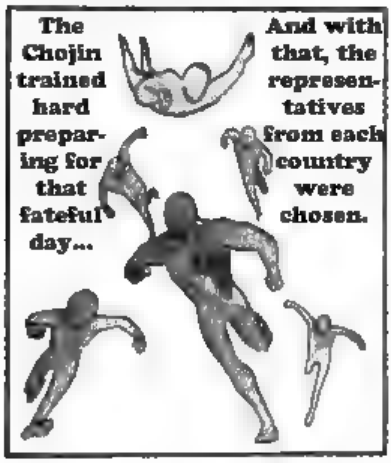
For somebody who the cousil deems too pathetic to enter the Chojin Olympics, I'd say you are one of them.
All Chojin deemed too pathetic to be of any use to the world are given the honor of sparring with me
Are you the one they call "Kinnuku man"?
ROBIN MASK!
What!?
Prince!
You know what?! I don't like your attitude!

You surprise me, Kinnikuman.
Aaah!
Now, I shall see how long your body can endure such agony before your spirit breaks.
I can still...
Very well, then.
So this is your game?
You may have broken a lot of pathetic Chojin, but you will never break my spirit! I will never give up!
I shall break your back if you do not surrender quickly



PRINCE!
I can still...
I can still...
Why don't you just give up?
You are a stubborn one.
BLAST IT! My hand is growing numb..
Sugu-ru...

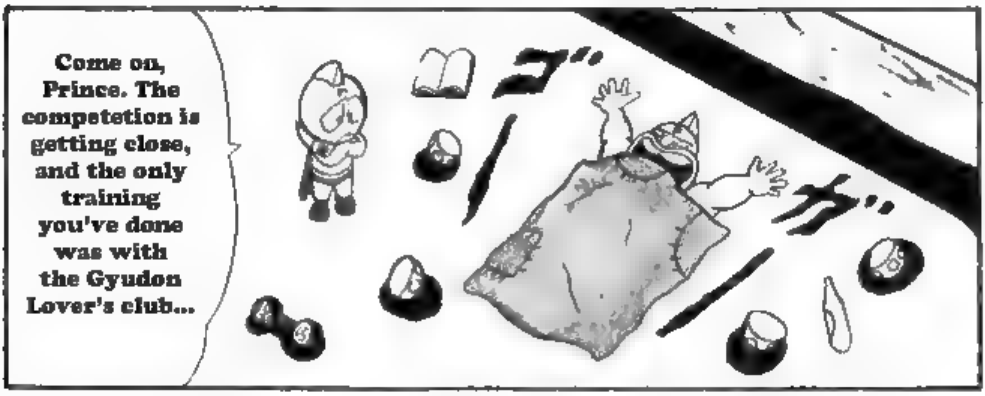
Kinnikuman..
Ugh...
テテテ
Chairman?
GOOD SHOW! GOOD SHOW!
パチパチパチ
Hurrah! He did it!
Yes, of course he will!
He managed to hold his own against the former champion. Suguru will be a splendid representative of Japan.
He's gone
Where's Robin Mask?
REALLY?
You'll be representing Japan in the Chojin Olympics, congratulations.
That wasn't his full power.
ACT?
He put on that whole act for your sake.



The Chojin trained hard preparing for that fateful day...
And with that, the representatives from each country were chosen.

...except Kinnikuman.

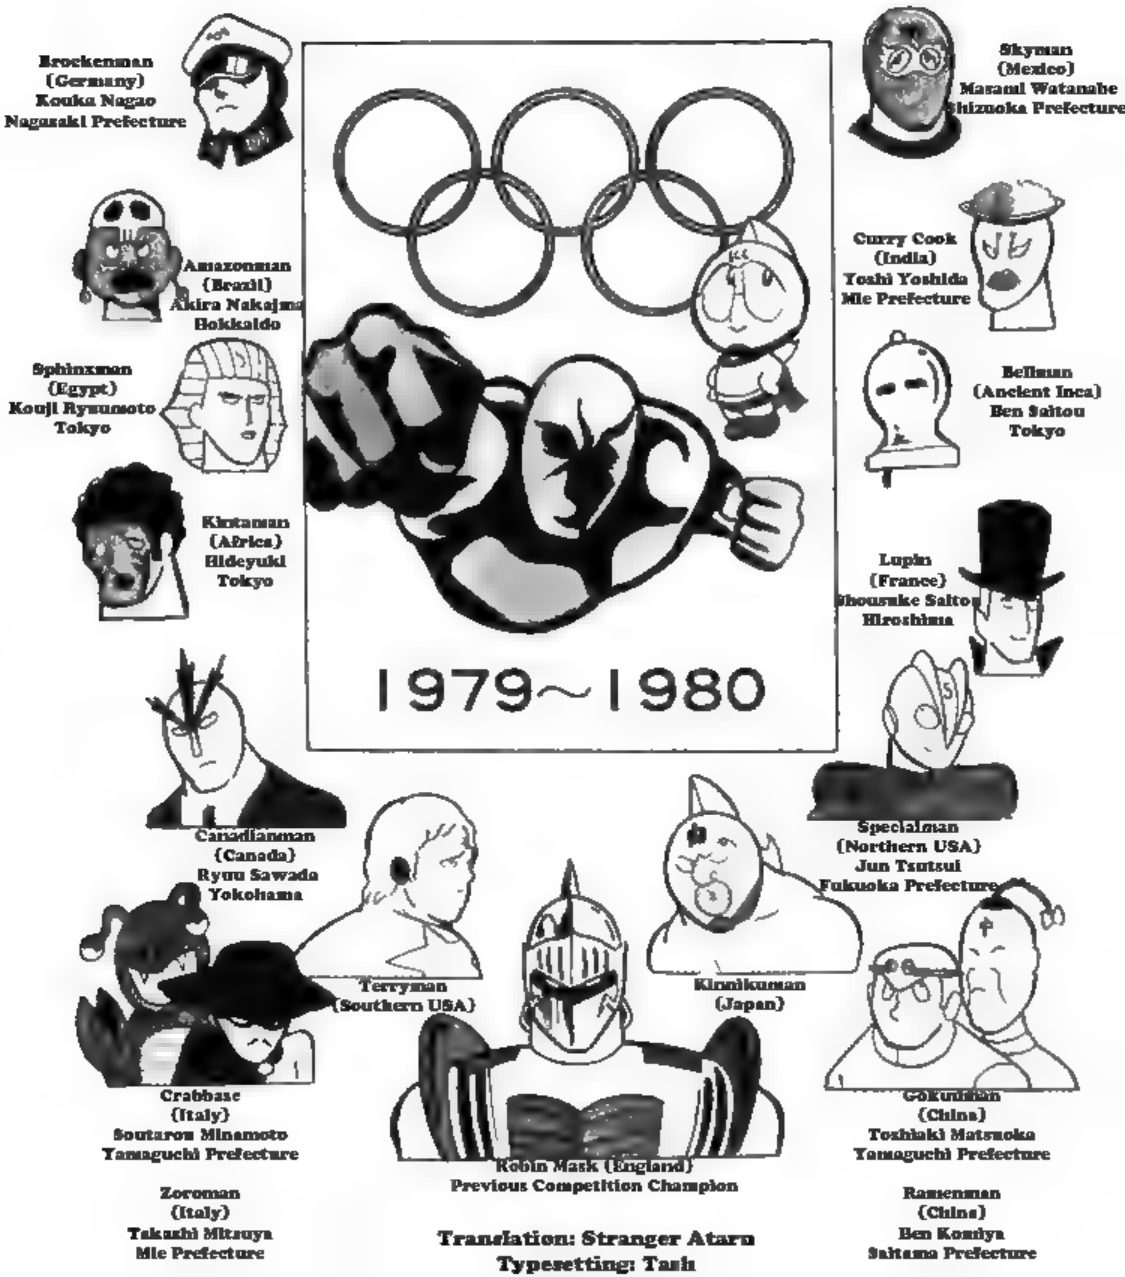
Right.
Speaking as the representative of America, do your best not to get crushed out there



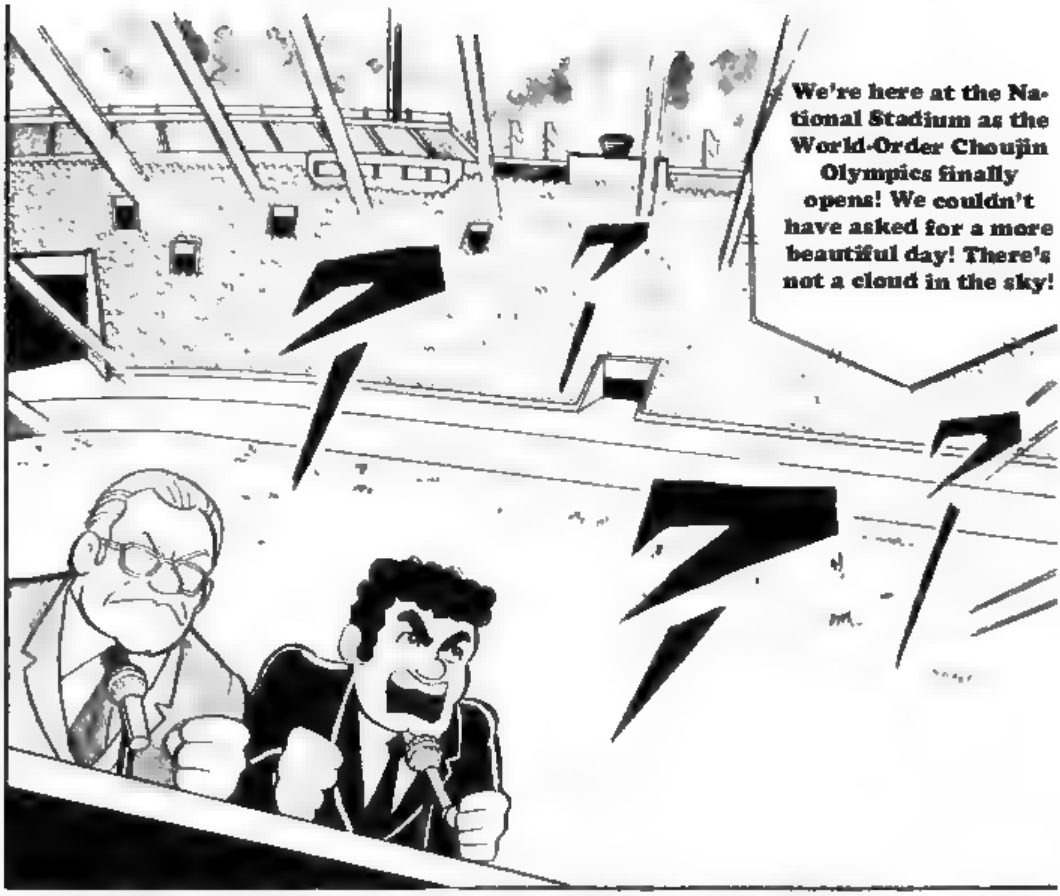
Come on, Prince. The competetion is getting close, and the only training you've done was with the Gyudon Lover's club...

Even if you have to sell your wife to afford a seat!
Whatever you do, don't miss the Chojin Olympics!

The First Preliminary

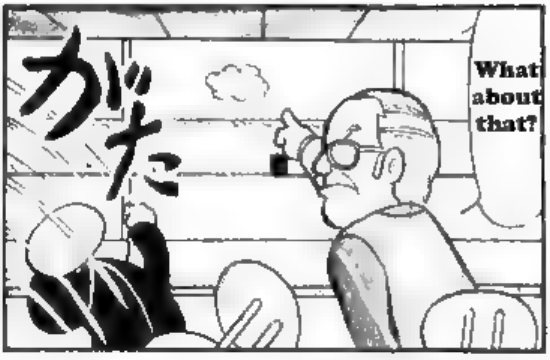


Translation: Stranger Atarn
Typesetting: Tash



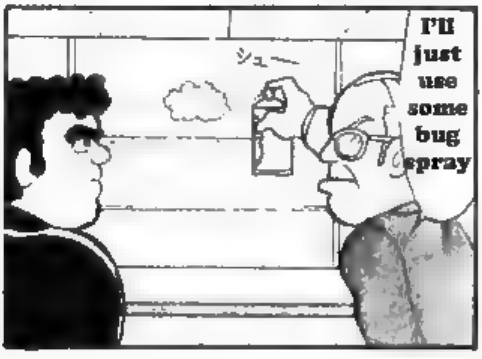
We're here at the National Stadium as the World-Order Choujin Olympics finally opens! We couldn't have asked for a more beautiful day! There's not a cloud in the sky!

In that case...
It's just a figure of speech. Don't confuse the audience.

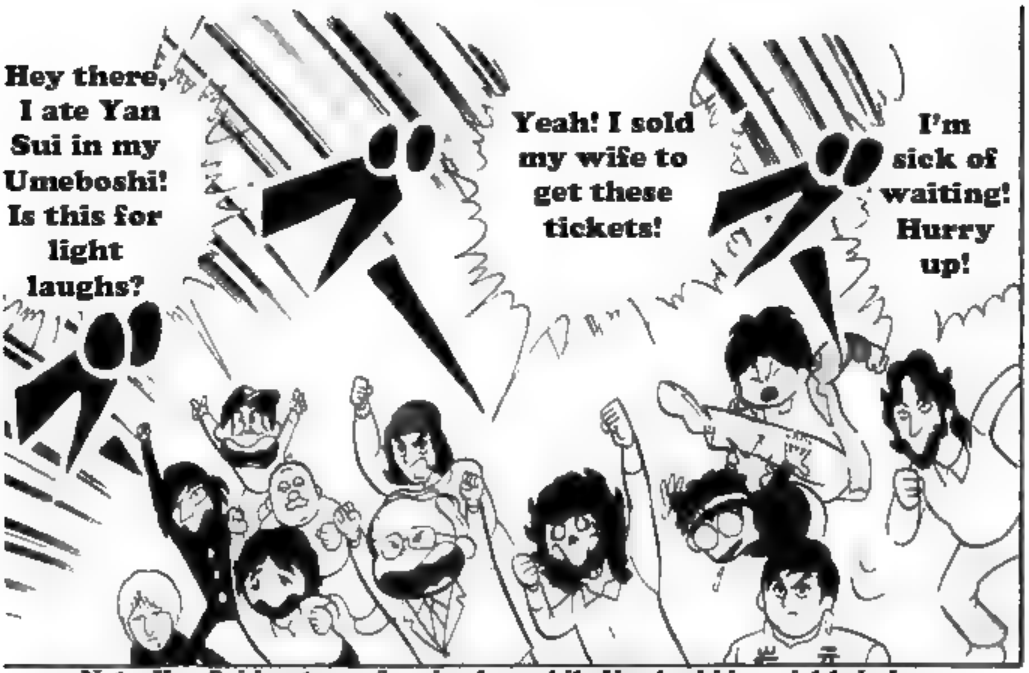


What about that?

That's for sure.
It's quite effective.

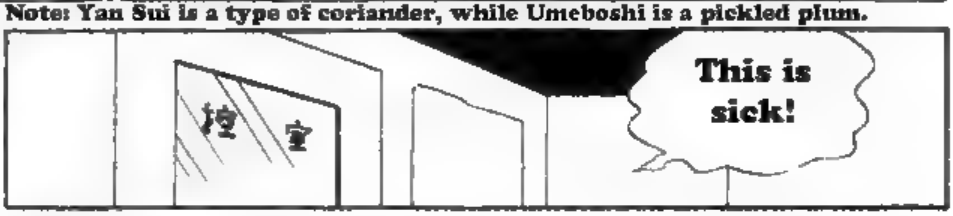


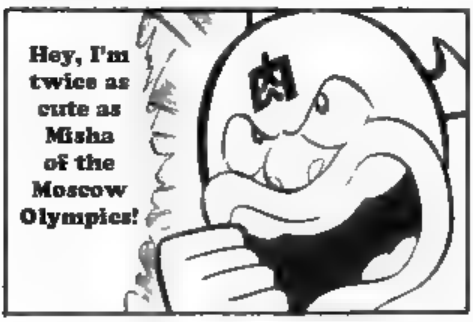
I'll just use some bug spray

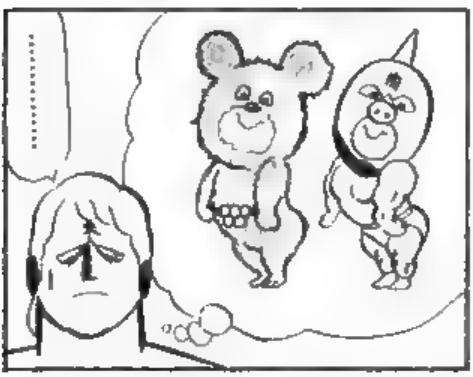


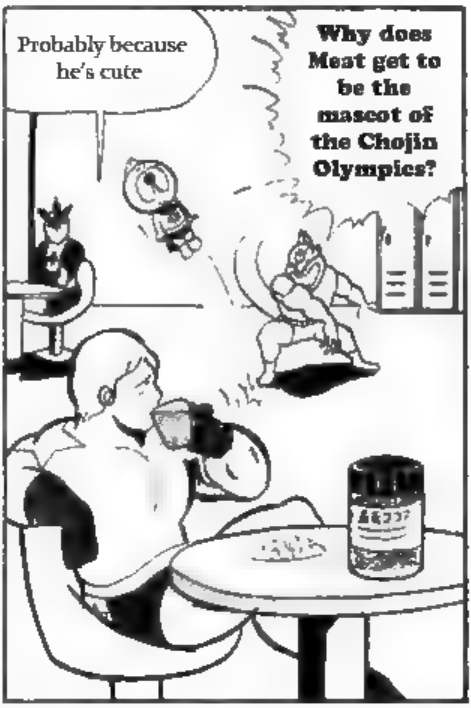
Hey there, I ate Yan Sui in my Umeboshi! Is this for light laughs?
Yeah! I sold my wife to get these tickets!
I'm sick of waiting! Hurry up!

Note: Yan Sui is a type of coriander, while Umeboshi is a pickled plum.

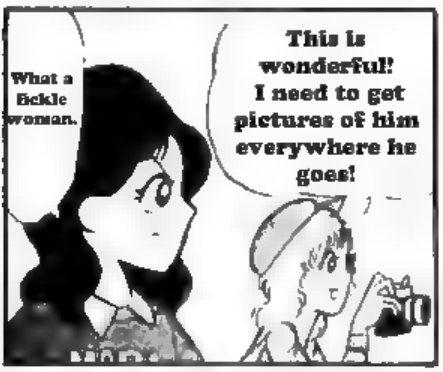






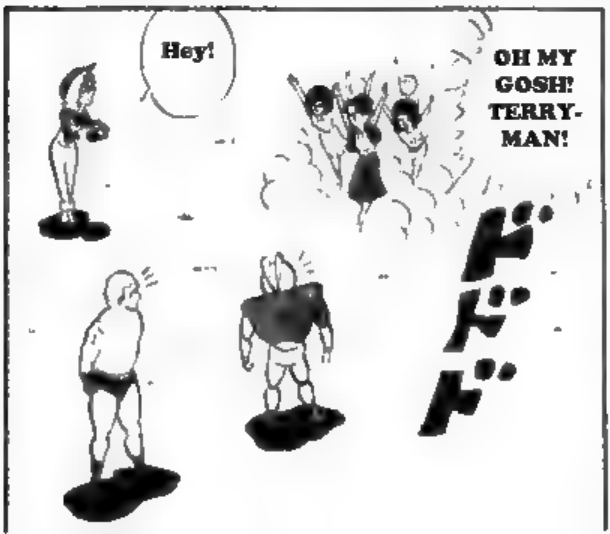


Note: Misha the bear was the mascot of the 1980 Moscow Games...which Japan among other countries boycotted due to the Soviet invasion of Afghanistan. Of course, at the time of this printing in 1979, Japan was still anticipated to take part in those games, thus the joke.

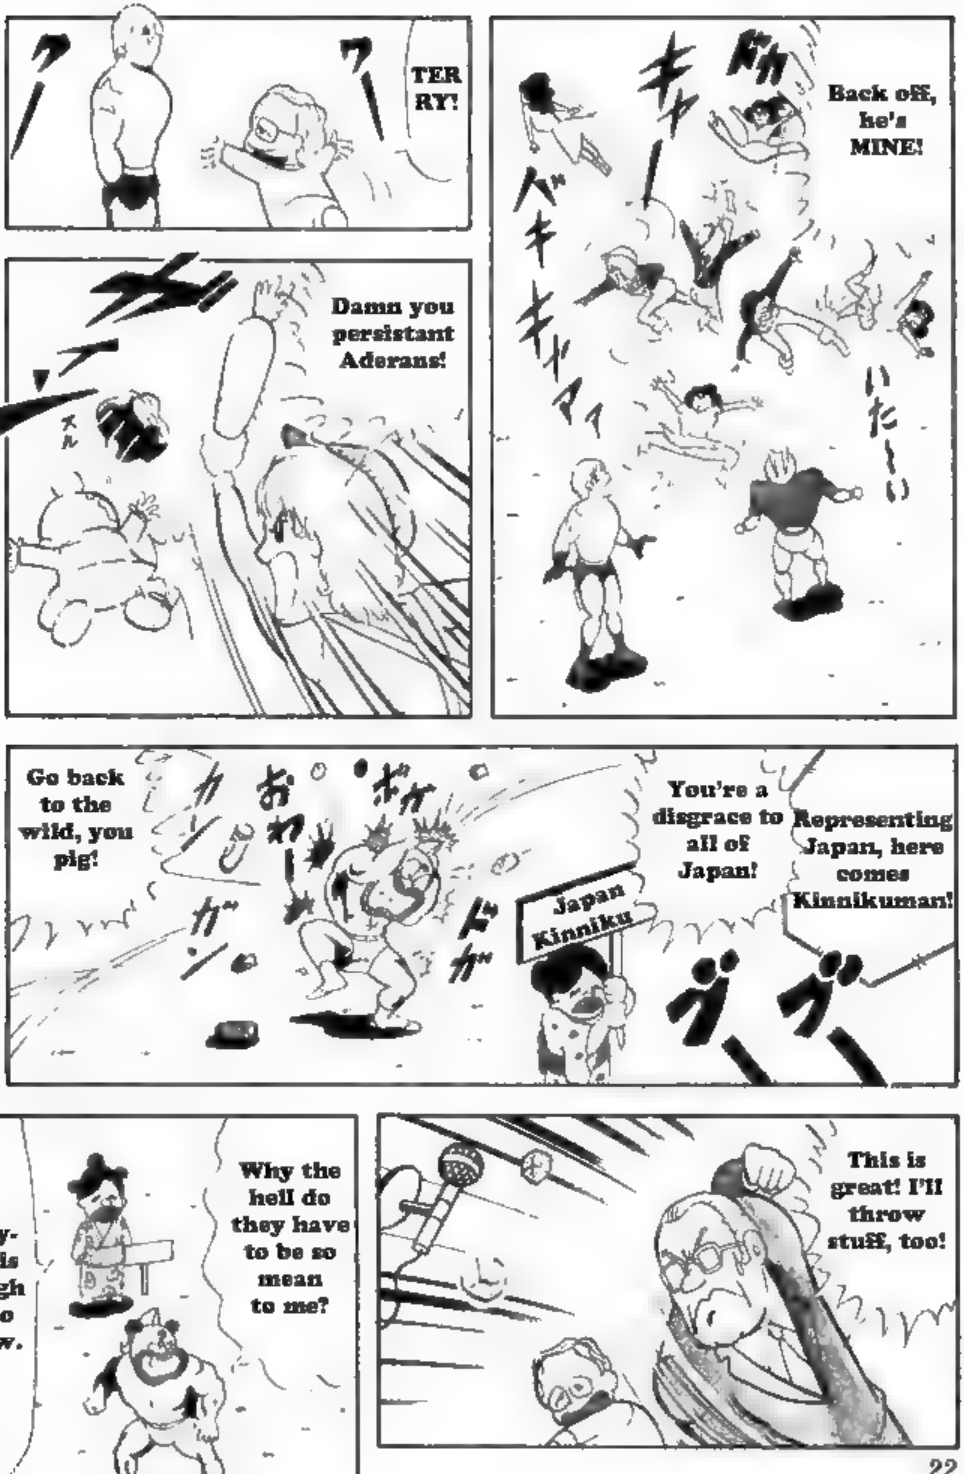


Note: "Shirigaru" translates into "fickle" but literally translates into "light butt"

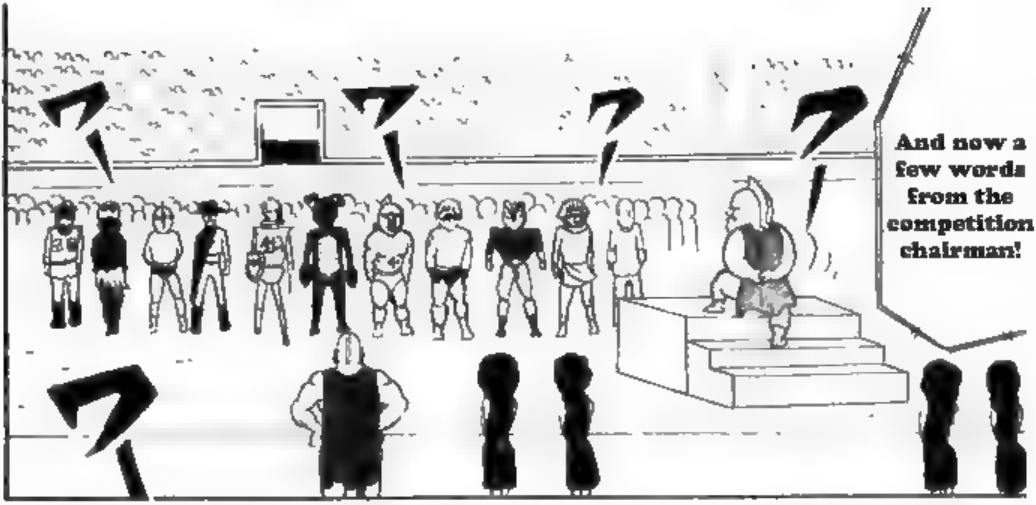
...and representing the Northern USA, Specialman!
Northern USA SPECIALMAN
Sothern USA TERRYMAN
Next up, representing the Southern United States, TERRYMAN!



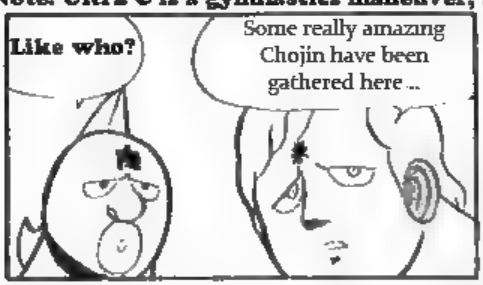
Note: Now's a good time to mention this. Some foriegn characters in Kinnikuman almost always speak left-to-right instead of right-to-left, implying that they have an accent or something, hence the different font. They stop doing it later in the series. (Lazy Author)

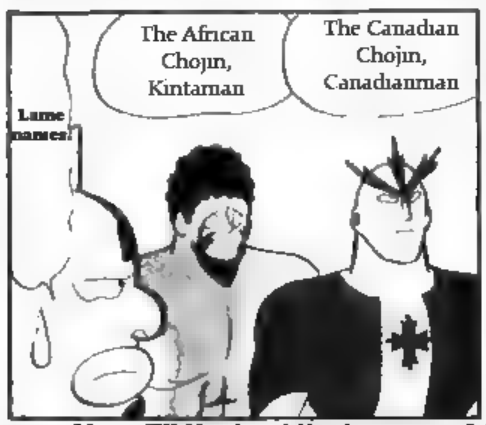


TER RY!
Back off, he's MINE!
Damn you persistant Aderans!
Go back to the wild, you pig!
You're a disgrace to all of Japan!
Representing Japan, here comes Kinnikuman!
Japan Kinniku
Terry-man is a tough act to follow.
Why the hell do they have to be so mean to me?
This is great! I'll throw stuff, too!



Note: Ultra C is a gymnastics maneuver, and Nadia Comaneci is a famous gymnist



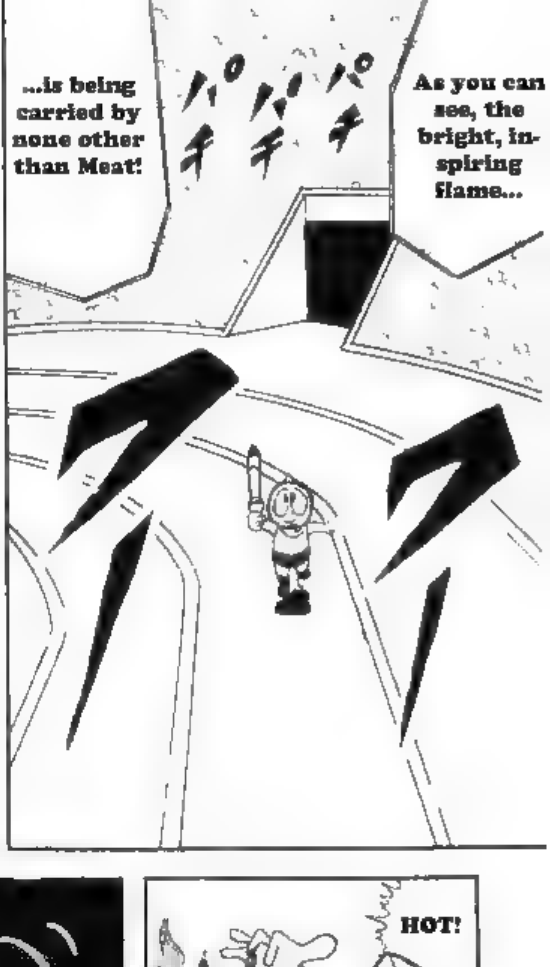


Note: While the ridiculousness of "Canadianman" is said enough, "Kintaman" is close to the word "Kintama", Japanese for "testicle".

(PS: Terryman just lost some credibility by calling Canadianman "amazing")

Crabbase from Italy
Lupin from France
Brockenman from Germany
Skyman from Mexico
Now who's fickle?
I think I'm going to faint.
She's 10cm bigger than me...
We are the representatives of heroes on November 13, 1979! - Robin Mask!!
An oath! We heroes pledge to fight fair and square while capturing our spirits!
Next up is the Olympic Flame ceremony!
I'm terrified.
So, are you surprised?

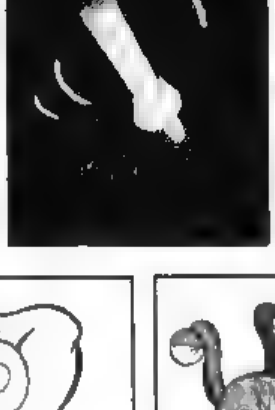
What are you doing here, you short-legged thing!?
アアアア



...is being carried by none other than Meat!
パパパパ
チチチ
As you can see, the bright, inspiring flame...

ボッ

ジュッ!!

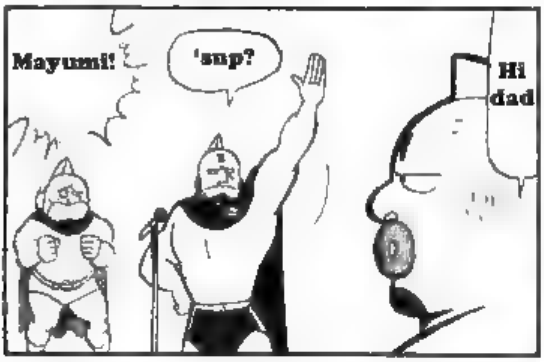


HOT!

Why you little...!

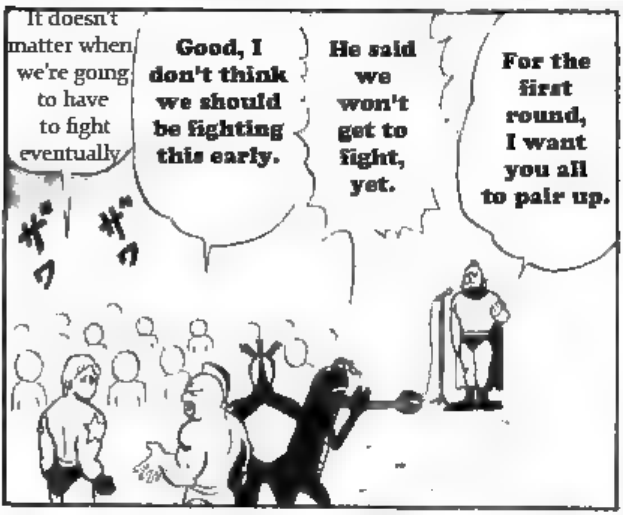
ゴキ
OW!

Ooh, this is awesome! Fight! Fight!
Some of the Chojin have began to brawl!
Hey guys, cut it out!
SHUT UP!
What are you doing?

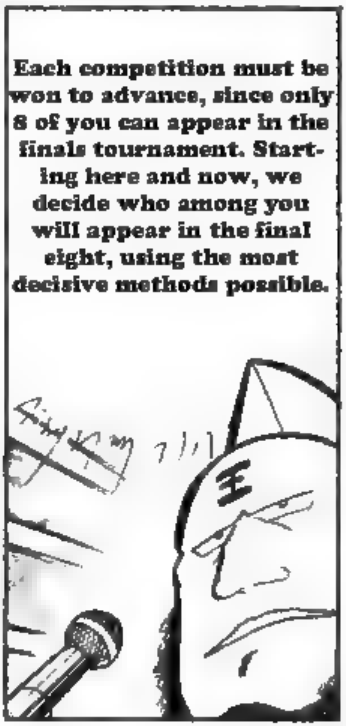


Mayumi!
'sup?
Hi dad

Now then, before the competition begins, the rules will be explained by King Kinniku.

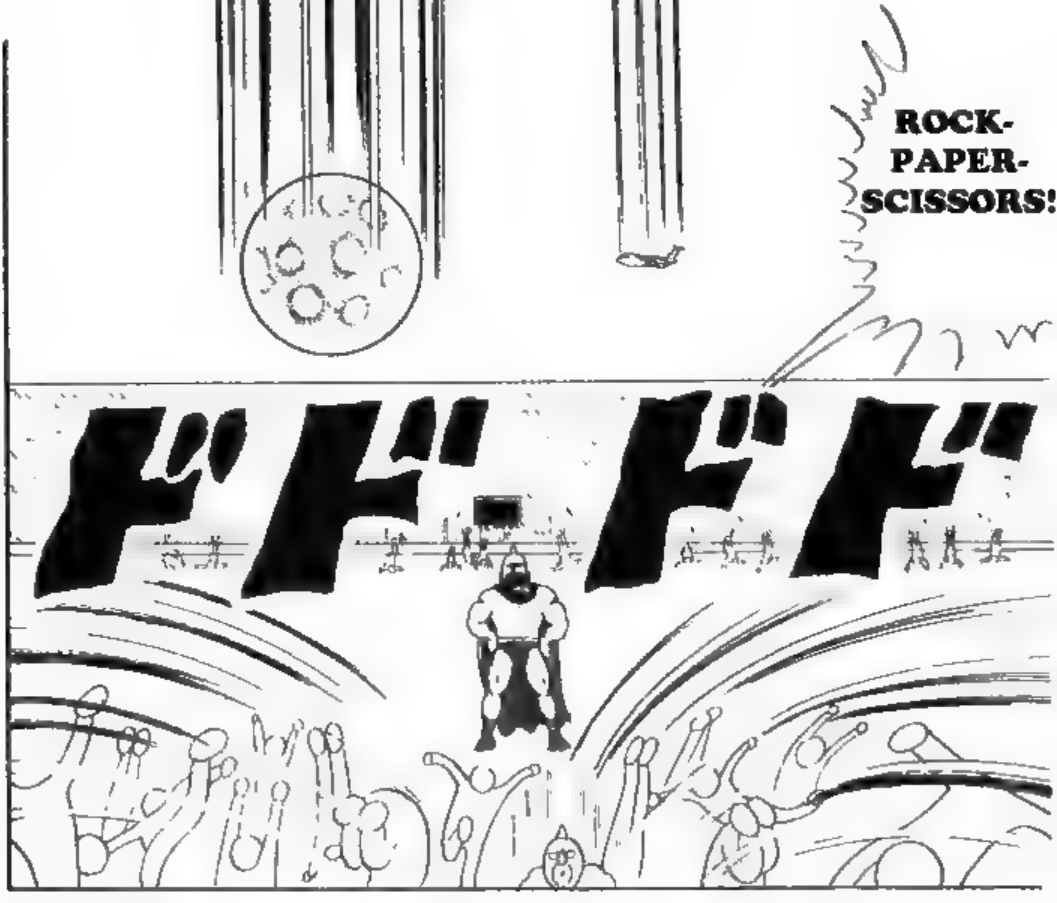


It doesn't matter when we're going to have to fight eventually
Good, I don't think we should be fighting this early.
He said we won't get to fight, yet.
For the first round, I want you all to pair up.



Each competition must be won to advance, since only 8 of you can appear in the finals tournament. Starting here and now, we decide who among you will appear in the final eight, using the most decisive methods possible.

Alright, the first event will be...

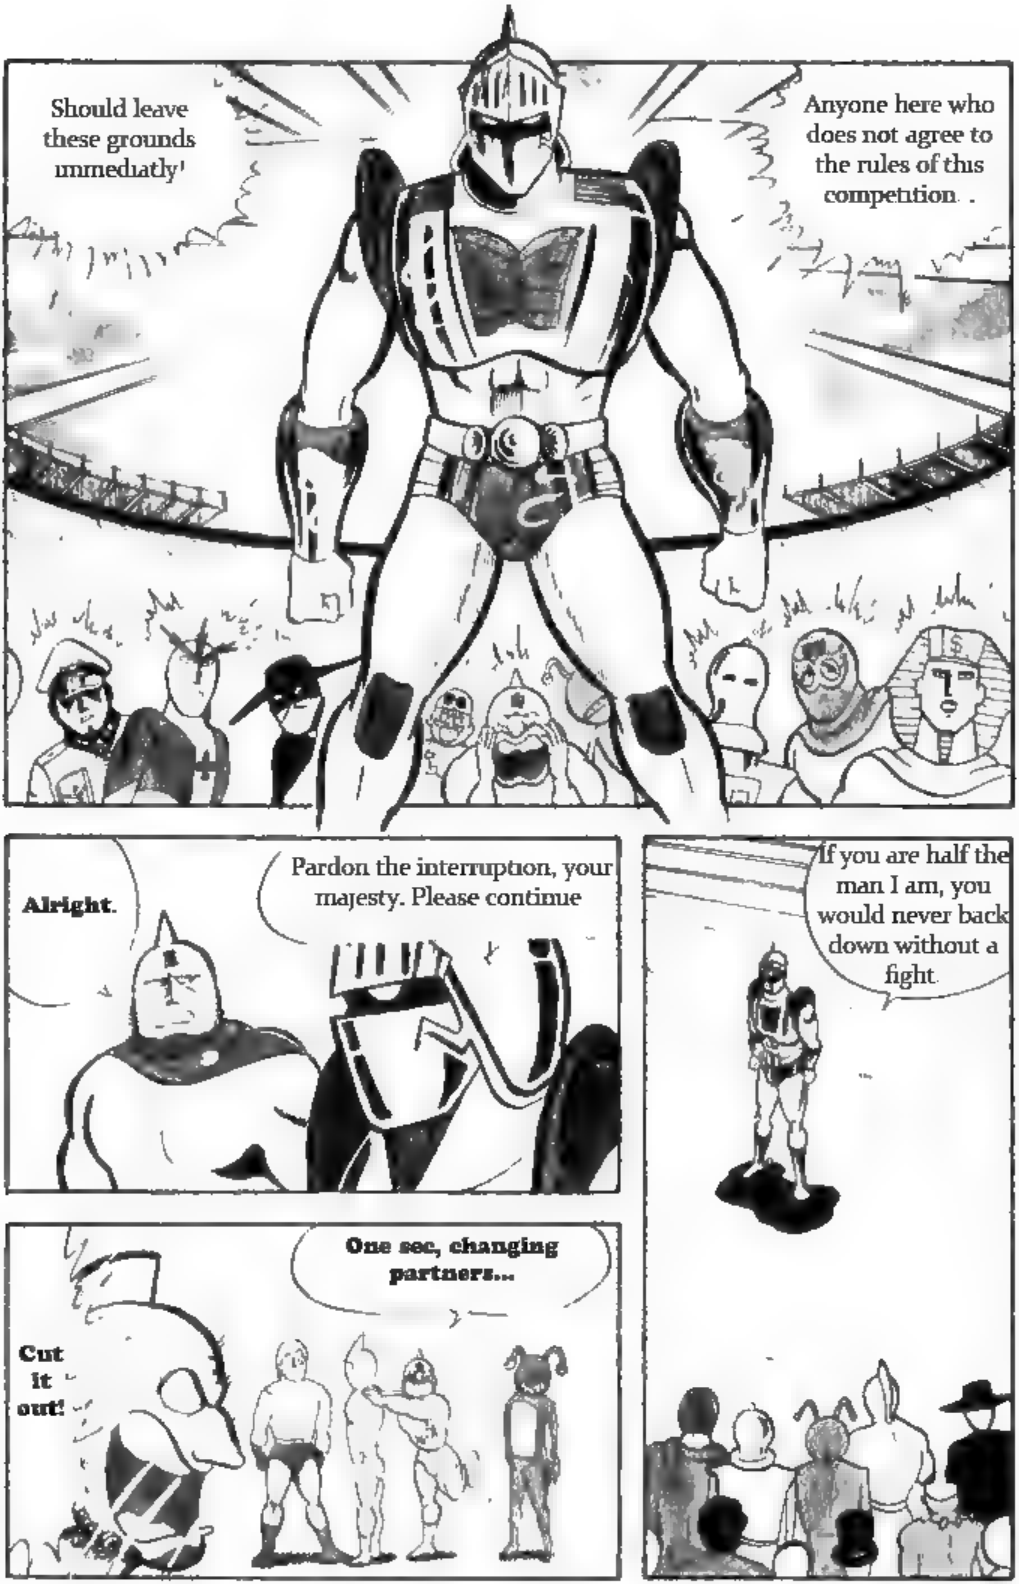


ROCK-
PAPER-
SCISSORS!
ドドドドド

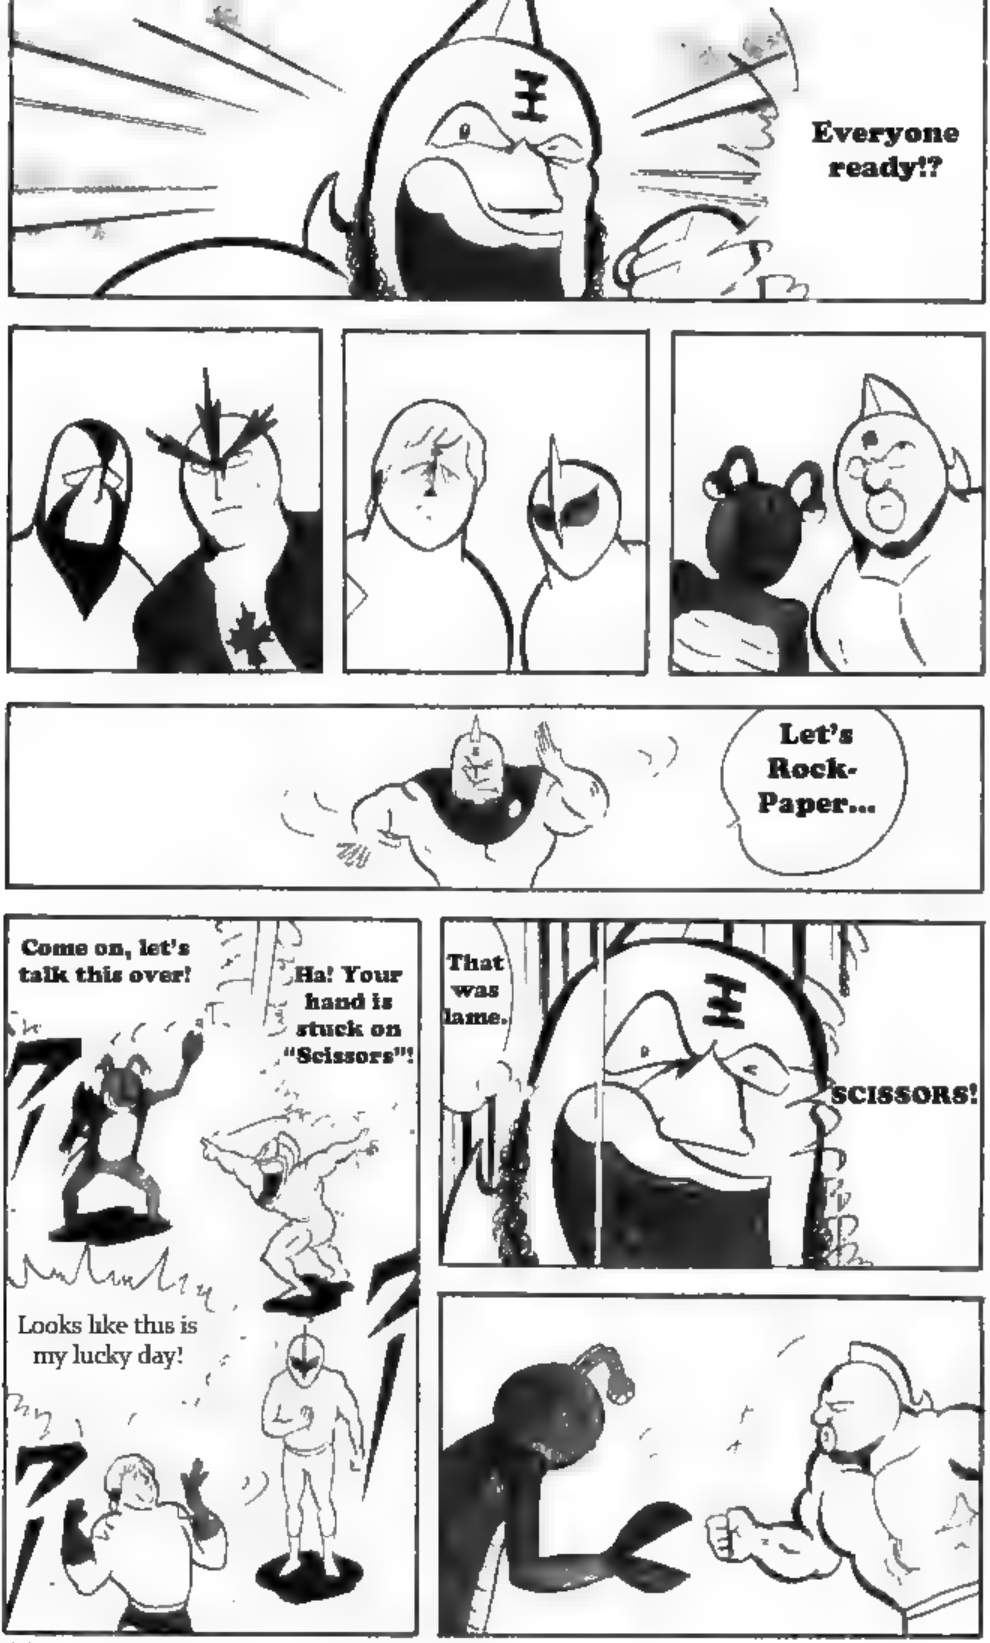
It would help you defeat Kaijuu with bad luck!
No way, I'm completely serious. Luck is important for all Chojin.
Dad, are you joking again?!
Rock-Paper-Scissors!?

Yeah!
We're not going to play this stupid game!

This is stupid!



Should leave these grounds immediatly!
Anyone here who does not agree to the rules of this competition. .
Alright.
Pardon the interruption, your majesty. Please continue
If you are half the man I am, you would never back down without a fight.
Cut it out!
One sec, changing partners...

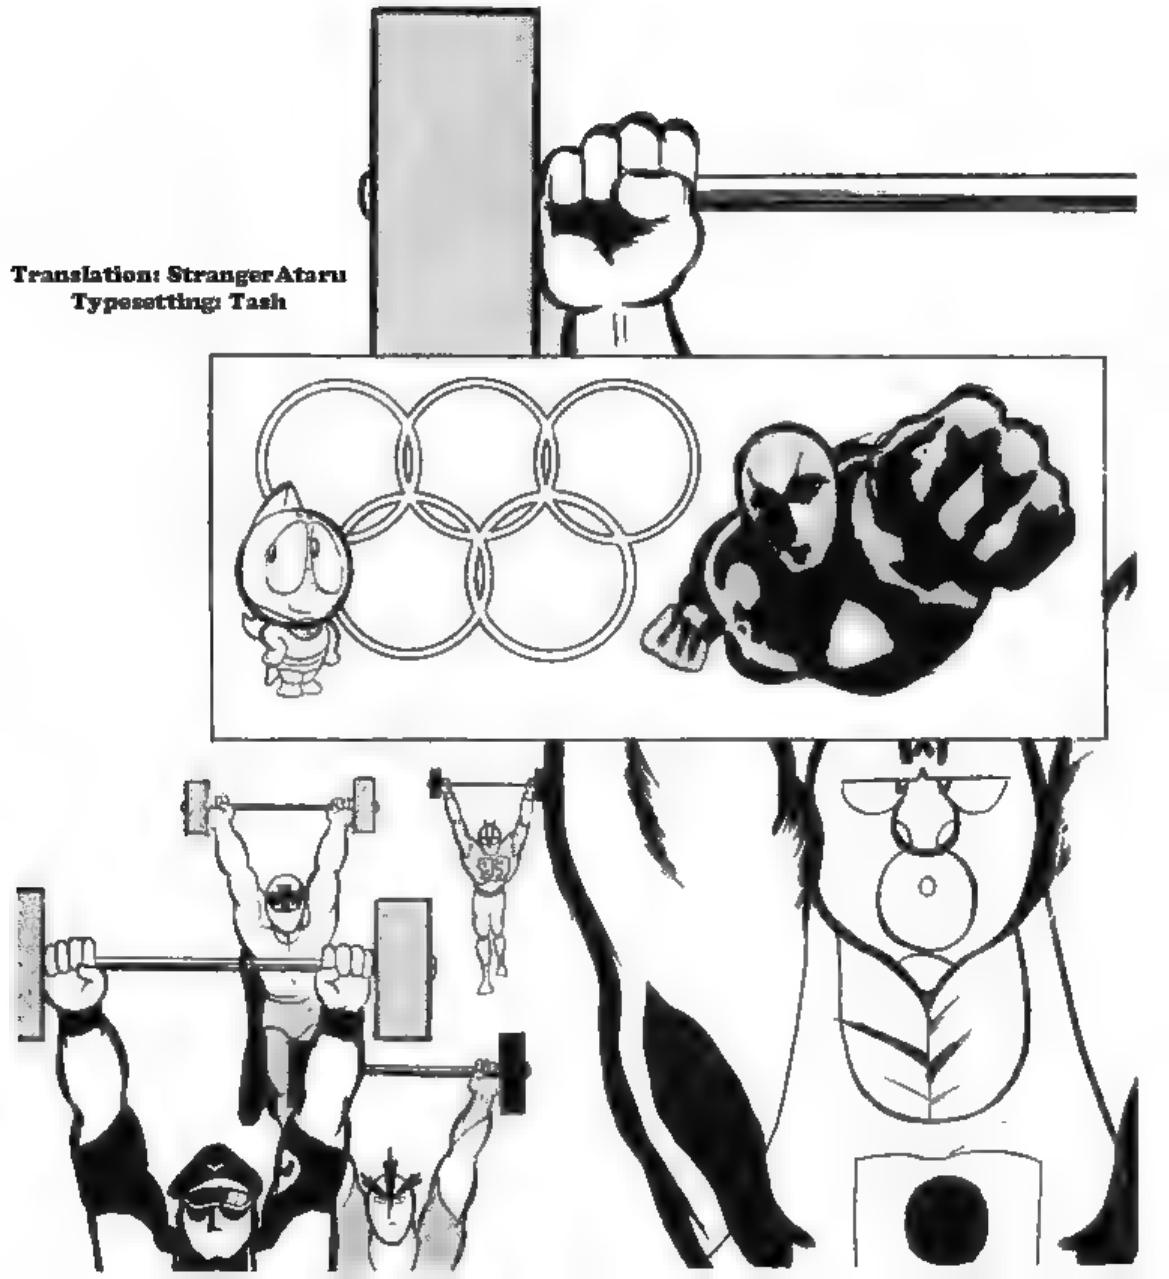


Everyone ready!?
Let's Rock-Paper...
Come on, let's talk this over!
Ha! Your hand is stuck on "Scissors"!
Looks like this is my lucky day!
That was lame.
SCISSORS!

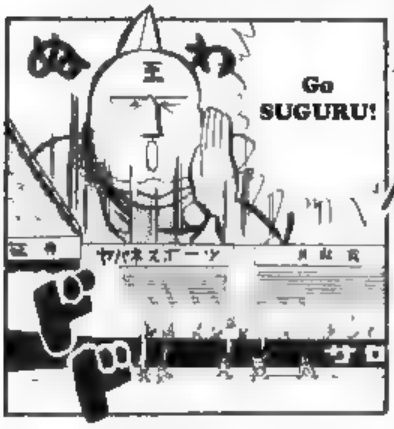
This looks like a perfect place to wreck havok.
It appears that Chojin from every nation in the world are gathered here.
Fufufu.
Just as I thought, all of the strong Chojin made it past the first round.
A true Chojin needs strong luck, so maybe the Prince really does have the qualities needed to survive this...
I hope.
Ow...
My hand slipped.

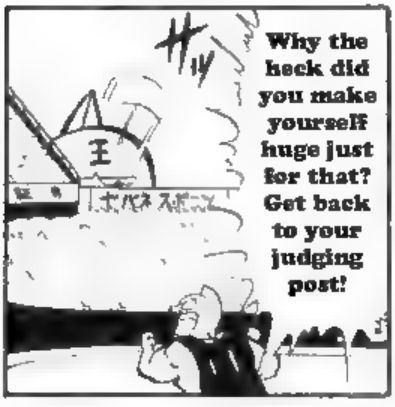
The Second Preliminary: Kaijuu Lifting

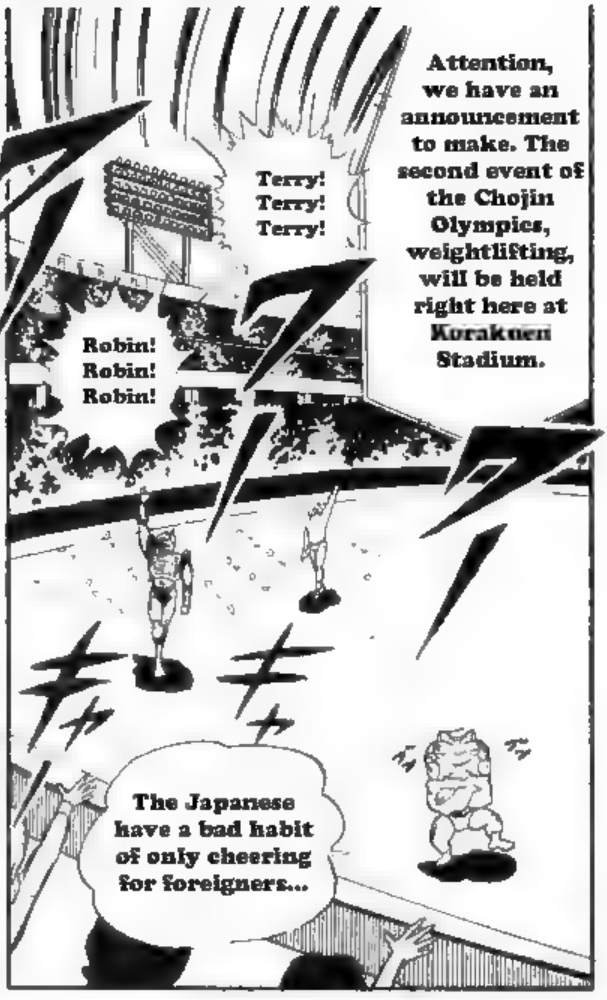
Translation: StrangerAtaru
Typesetting: Tash



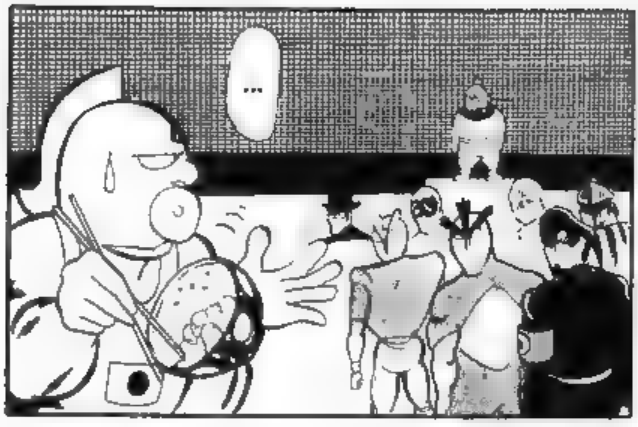
note: Korakuen Stadium was the home stadium of the Yomiuri Giants and the central stadium of Tokyo until it was torn down and replaced with the Tokyo Dome in the late 1980s



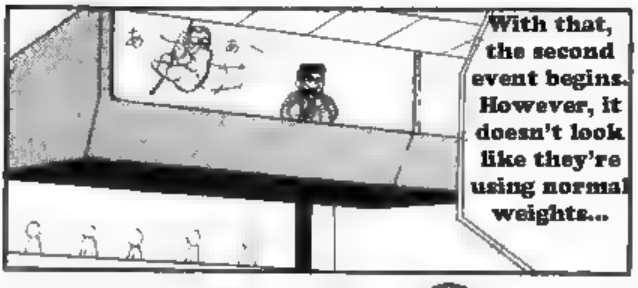


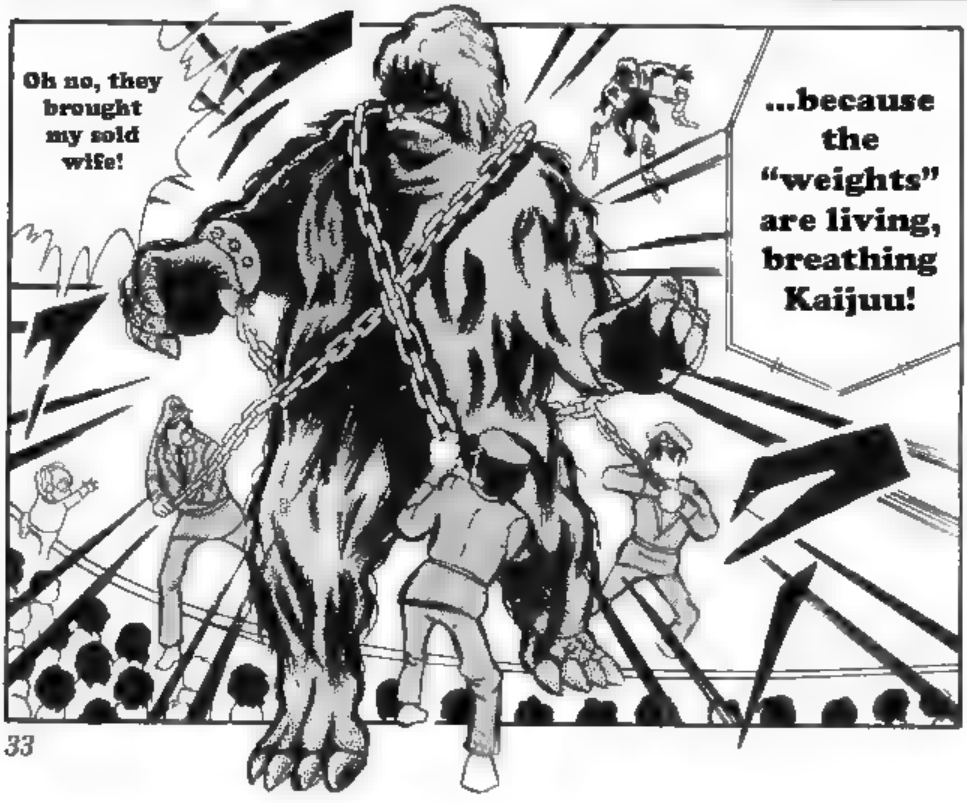


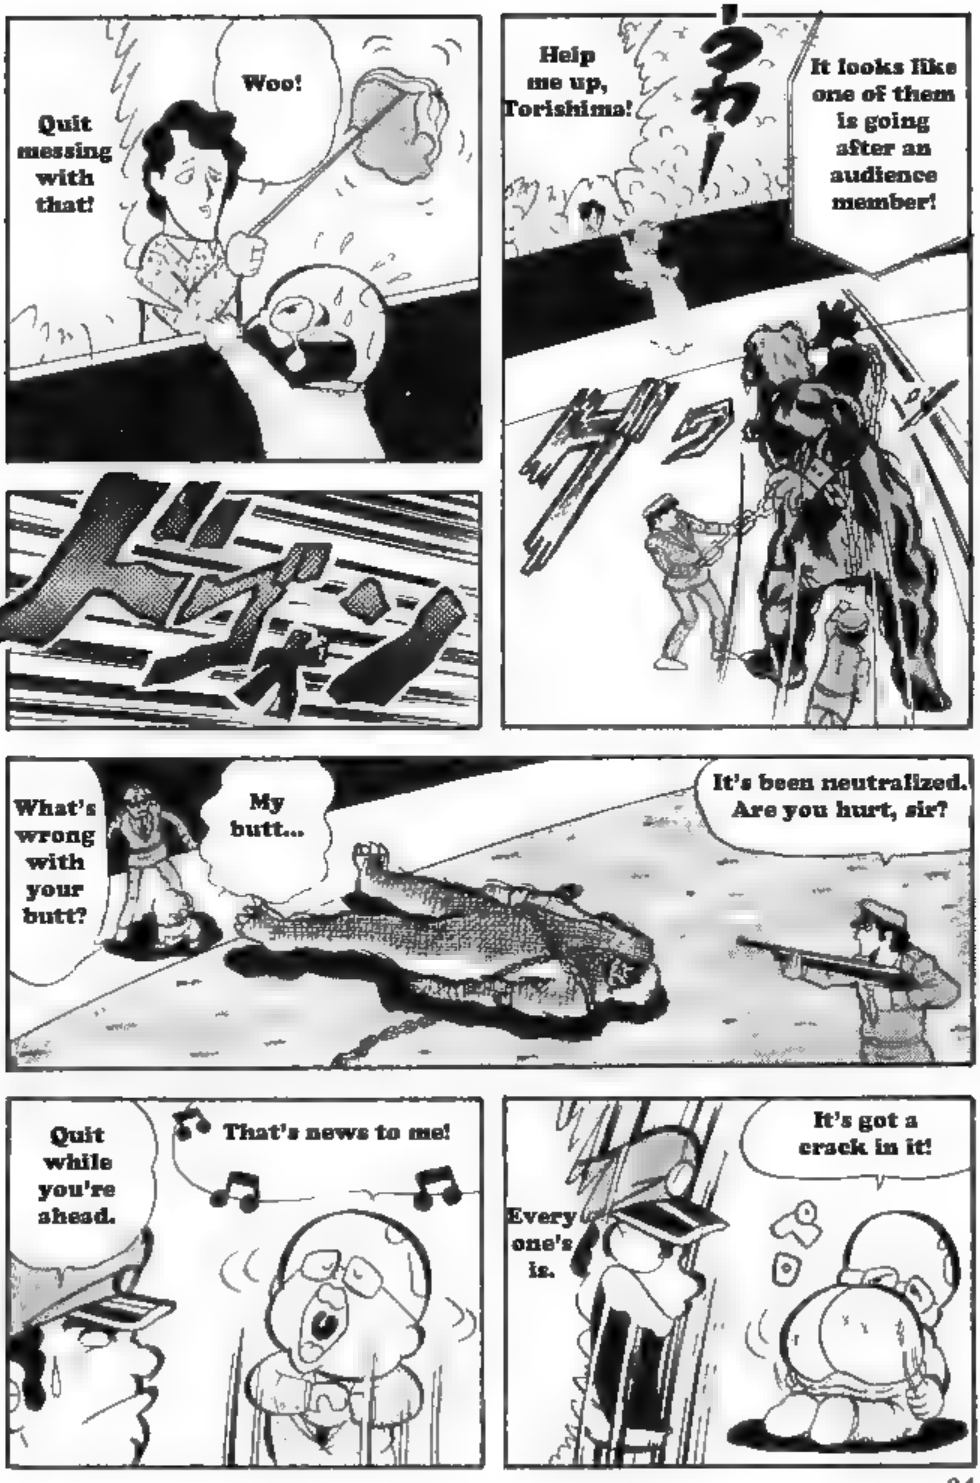
Terry! Terry! Terry!
Robin! Robin! Robin!
Attention, we have an announcement to make. The second event of the Chojin Olympics, weightlifting, will be held right here at Korakuen Stadium.
The Japanese have a bad habit of only cheering for foreigners...



The second event, weightlifiting, tests one of the most important strengths that a Chojin has. It seems like these days there are too many Chojin who have muscles, but don't use them on anything heavier than a bowl of Gyudon!

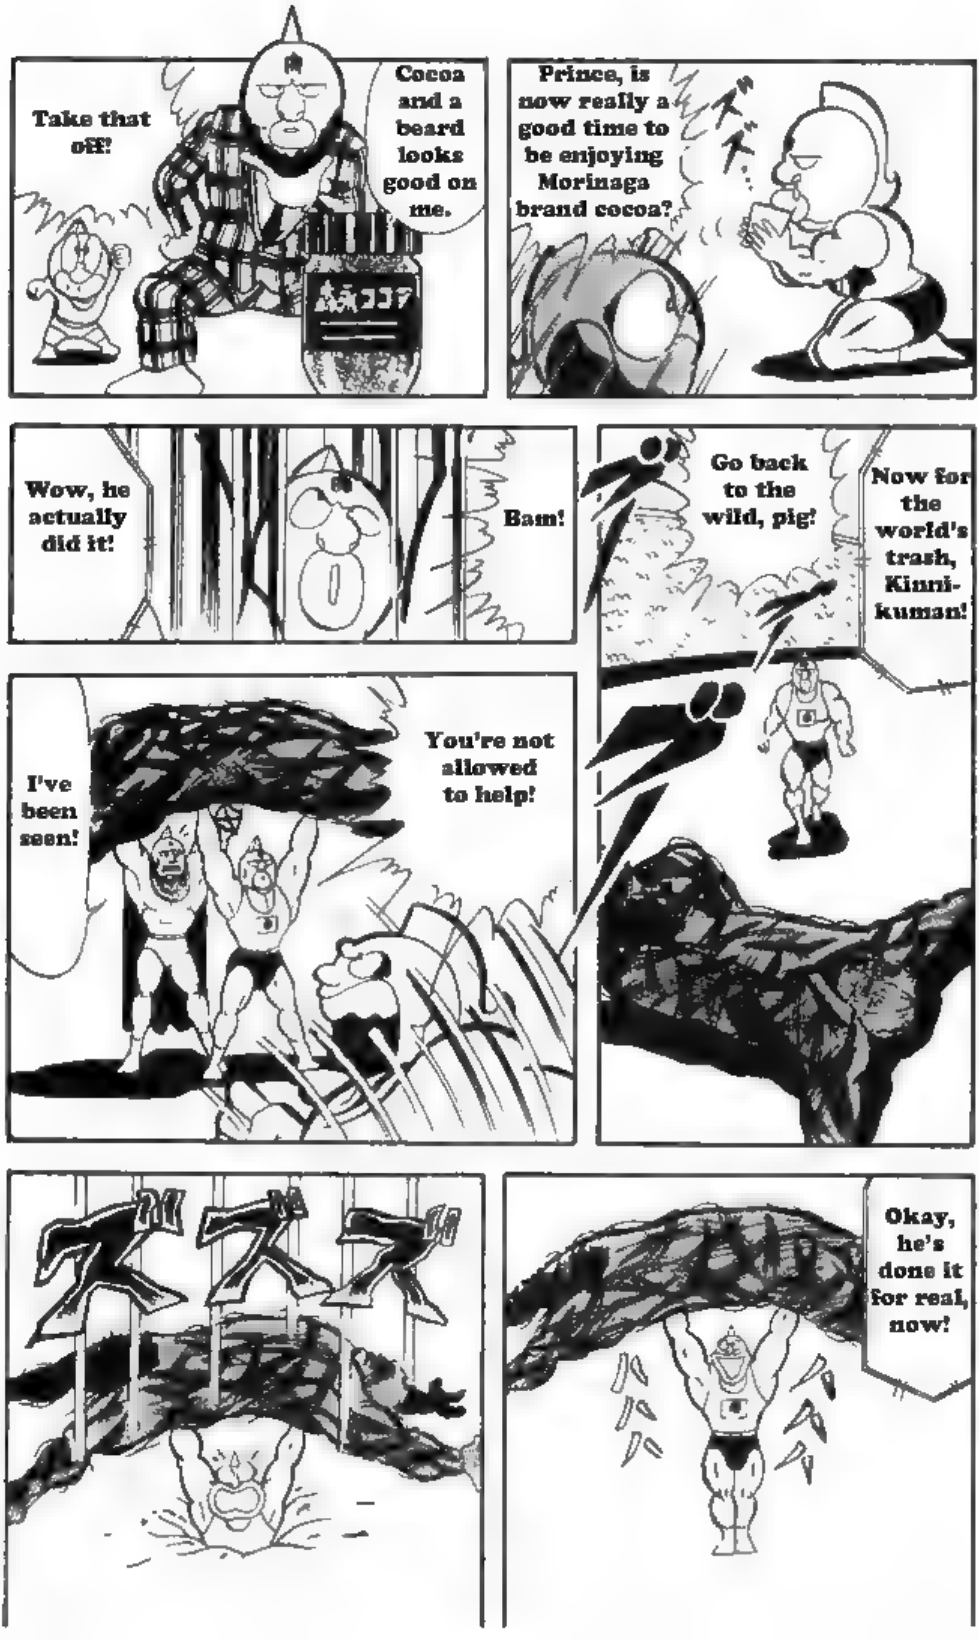






Quit messing with that!
Woo!
Help me up, Torishima!
It looks like one of them is going after an audience member!
What's wrong with your butt?
My butt...
It's been neutralized. Are you hurt, sir?
Quit while you're ahead.
That's news to me!
Every one's is.
It's got a crack in it!

Go!
First up is the Northern USA Chojin, Specialman!
Points will be awarded based on pose and facial expression.
100
100
BOO
1
He's cleanly lifted 1 ton!
100
100
Incredible.
100
100
The only Chojin who remains is Kinnikuman!
Terryman has finished his lift!

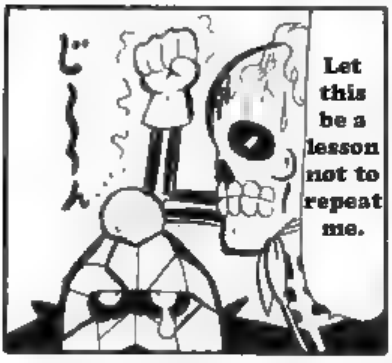


Take that off!
Cocoa and a beard looks good on me.
Prince, is now really a good time to be enjoying Morinaga brand cocoa?
Wow, he actually did it!
Bam!
Go back to the wild, pig!
Now for the world's trash, Kinnikuman!
I've been seen!
You're not allowed to help!
Okay, he's done it for real, now!

It looks like the ruling is in Kinnikuman's favor!
But I have to admit, he did technically lift it...

肉
CLEAR

Hey, I'm the chairman! I make the ruling, not this biased idiot!
Pass!
So, how do we rule this?



じ〜ん
Let this be a lesson not to repeat me.

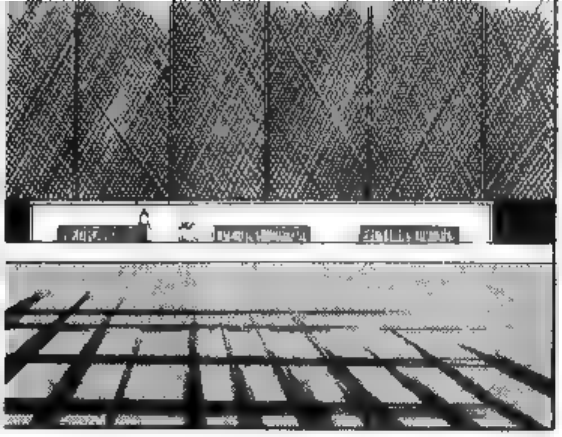
Those idiots also work in our favor.
Luckily, those dancing idiots work in our favor.

Now we'll terrorize the accursed Kinnikuman, and all the other Chojin here, with the invisibility gun!

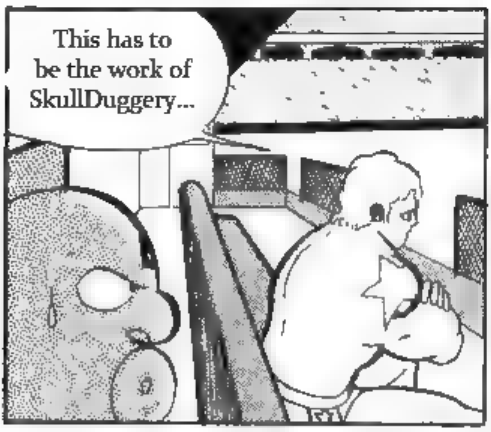
It looks like the stress from his loss has finally gotten to him. Pathetic.
Idiots of a feather dance together!

Why must you be so immature?
MAYUMI!
ボム ボム
Now, the Chojin who cleared 1 ton will have to lift 2 tons.
Get off the field, Specialman!
ぬ わ
ズデ
It's not worth getting upset about...
MAYUMI!
カバー
Don't mind me.
He did it! Specialman lifted the 2 ton Kaijuu!
ダダダダ
Can he lift it?

What's wrong, Specialman?
What!? It looks like Specialman is starting to break out into spontanious laughter!
ザワ ザワ ザワ
It looks like Specialman is seriously injured.
You can easily lift 10 tons of stee.
This isn't right.
... .
SPECIALMAN!!

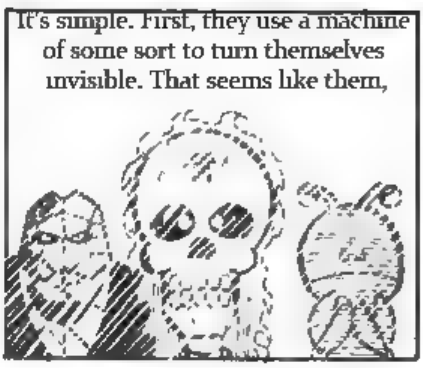


However, it wasn't just Specialman. One after another, the Chojin were crushed.

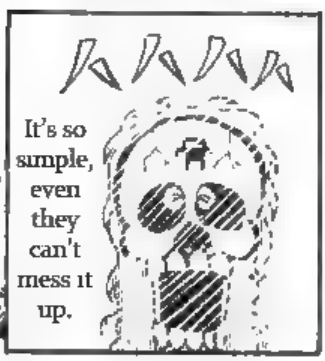


This has to be the work of SkullDuggery...

ワハハハ
Then, they tickle the Chojin, weaking him.

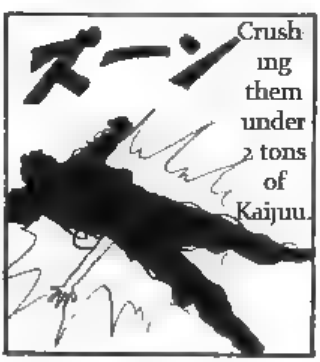


It's simple. First, they use a machine of some sort to turn themselves invisible. That seems like them,

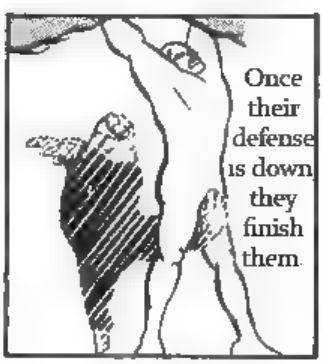


It's so simple, even they can't mess it up.

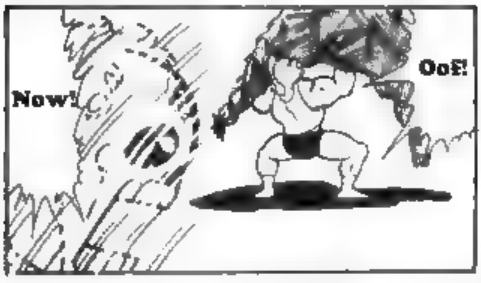
Yep



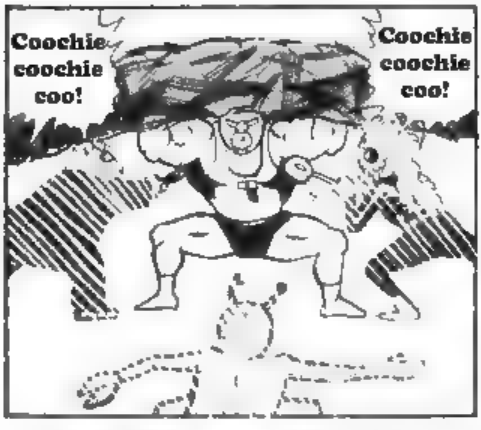
ズーン
Crushing them under 2 tons of Kaijuu.



Once their defense is down they finish them.



Now!
Oof!

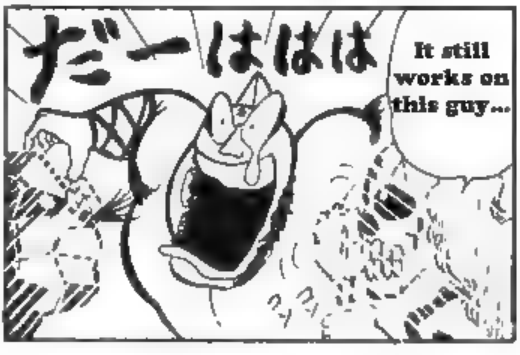


Coochie coochie coo!
Coochie coochie coo!

Alright, let me give it a shot!
Oh, it's the pig himself!

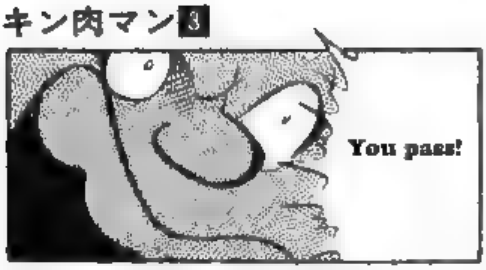
Someone call for help!
ズデだ〜はははは
With this kind of ruler, Planet Kinniku is doomed.

Why isn't it working?



だーはは
It still works on this guy...

...is he limp or some-thing?
It looks like Kinnikuman can't quite lift up 2 tons!
What's going on in Yudeta mago's head?
Let's try this...
Oh no, I'm exposed!
Don't joke about my impo-tency, Skull-Dug-gery...



You pass!

Oo!!
Consdier this a present for helping me.

That solid pose and pained face are beautiful!
We helped him!?

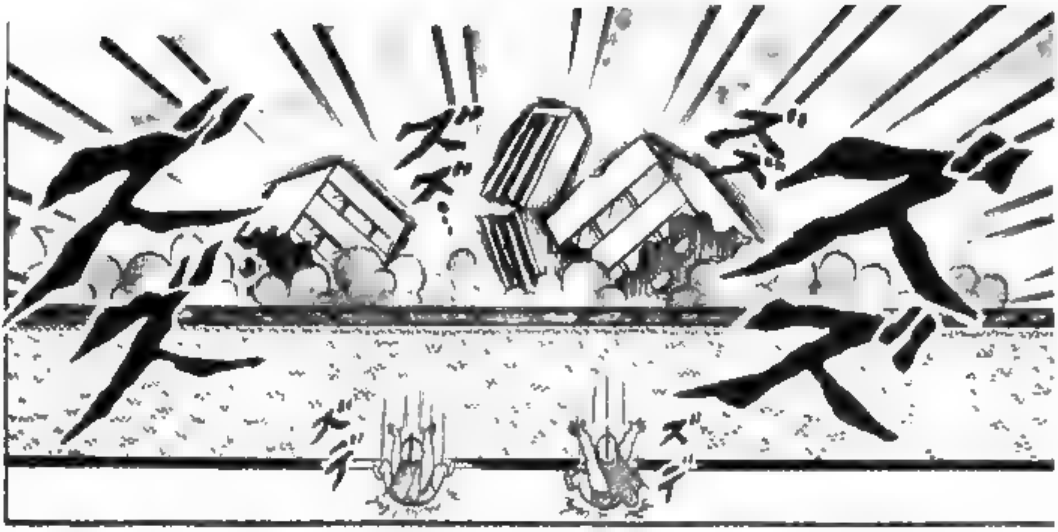
Don't worry about it.
But we still haven't gone ..
At this rate, the prince will end up killing himself.
Due to some sort of Miracle, Kinniman managed to lift 2 tons!

The Final Preliminary: A Round-Trip Marathon to the Moon

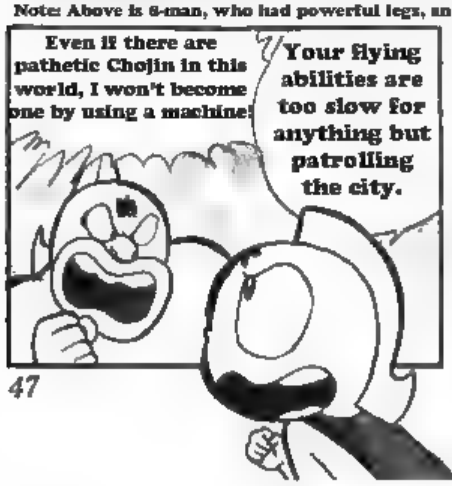
Translation: Stranger Abroad
Typesetting: Tash

Here are the faces of the 25 Chojin who've made it this far.
...and so, we've made it to the final preliminary round.
Don't die Grandpa!!
Mom!
Granny got startled and hit her head on the dresser.
The event is...
You've all bleed, sweat and cried so far, but it's time to decide the final 8.
The chair-man will now explain the next round.

I'm in control! I don't have to take this!
Hi.
This is getting annoying. I have to stay in control.
A bread-eating contest!
Huh? Huh?
You wanna make something of it?
He takes after his father.
swim swim
Can you please stop this, sir?
You threw it too far!
You need to learn to relax.
Shouldn't there be a blue flag for this?
MAY-UMI!
I see.
Wow, it's out of here...



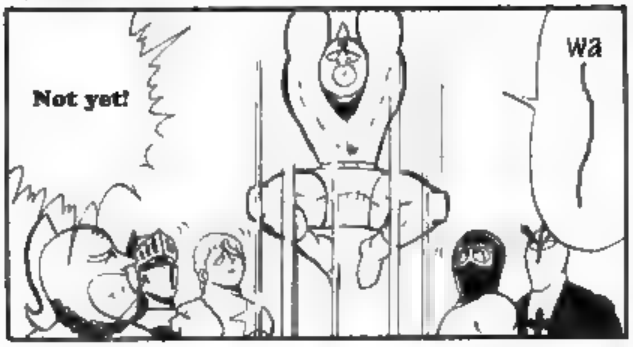
Note: Above is 8-man, who had powerful legs, and 1979 Kamen Rider, the first Kamen Rider who could fly.



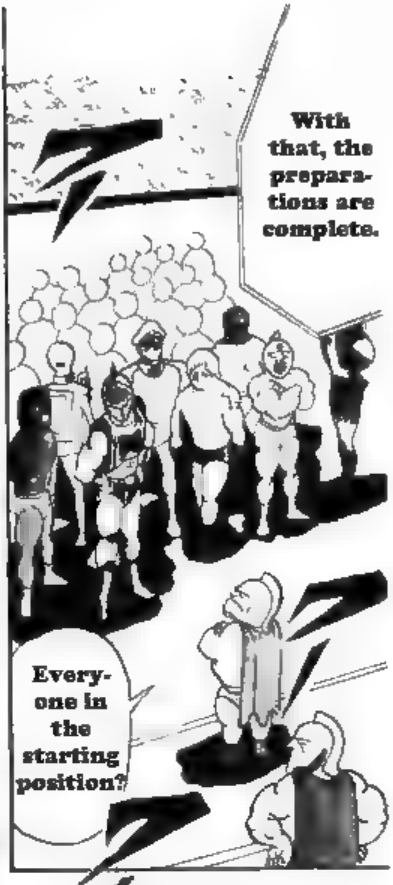
Even if there are pathetic Chojin in this world, I won't become one by using a machine!
Your flying abilities are too slow for anything but patrolling the city.

Wow, I didn't know you had so much self-respect, prince.
I bet they caused trouble in shcool.
Those are the weak Chojin.
Sorry, one per person.
Gimme two, they're small.
Prince
Calm down, it was a joke.
You're all talk!
We put rabbits there for this event!
You idiot!
To prove you made it to the moon, you must bring back one moon rabbit.
Everyone ready? The course has you leaving earth, flying to the moon, then returning.
His stupidity is bad for my health...
Chairman!
Ha! He still believes that there are really rabbits on the moon!

note: In Japanese folklore, the "man on the moon" is actually a giant jade rabbit making mochi, leading to many jokes in manga/anime of rabbits on the moon



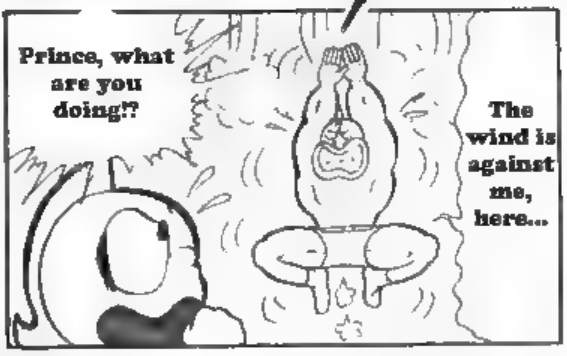
Not yet!
wa



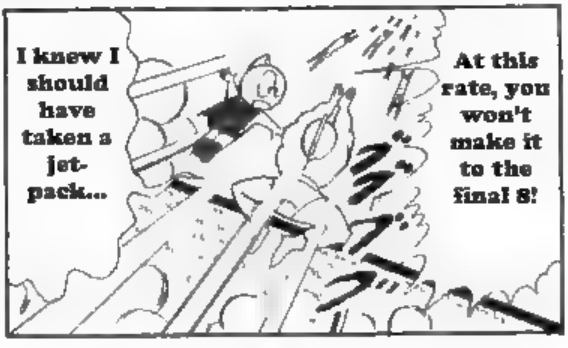
With that, the preparations are complete.
Everyone in the starting position?

Wow, they're quick...
BOWA
GO!

My Make-up!
The wind has finally settled down!
ゴボッ
ゴボッ
ゴボッ
What is this?
My wig!

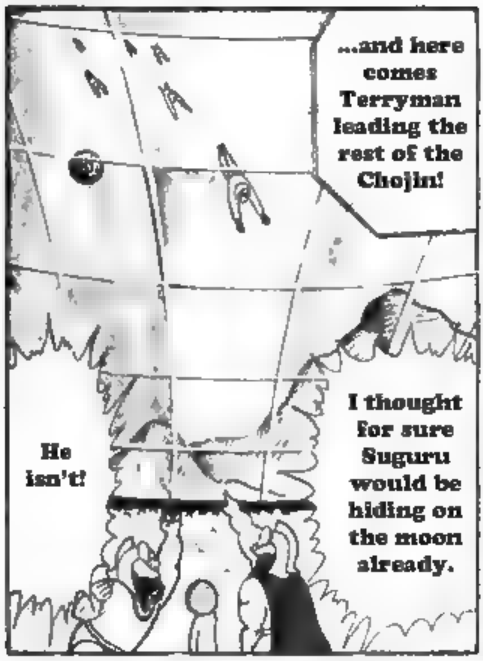


Prince, what are you doing!?
The wind is against me, here...



I knew I should have taken a jet-pack...
At this rate, you won't make it to the final 8!

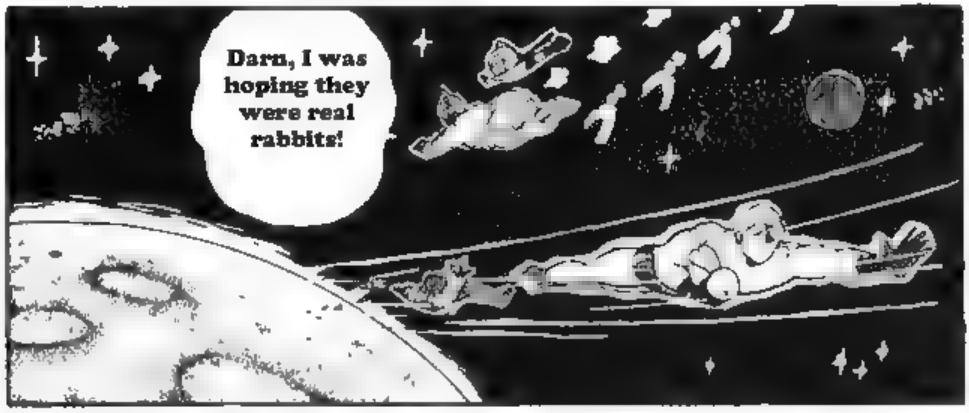
What happened?
ゴゴゴゴゴゴ!
ゴゴゴゴゴゴ
The stadium ceiling is closing.
Oh.
ヒ!!
ヒ!!
ヒ!!
All of us on Earth can watch the moon's surface.
We can still watch it from Earth using the stadium's planetarium screens.
Attention everyone: Although the event is set in space...
オ
オ
...and Robin Mask is already at the halfway point!
Where's Suguru!?
Why are you still here?
There he is!



...and here comes Terryman leading the rest of the Chojin!
He isn't!
I thought for sure Suguru would be hiding on the moon already.

Thank you.
Have a drink, Robin Mask.

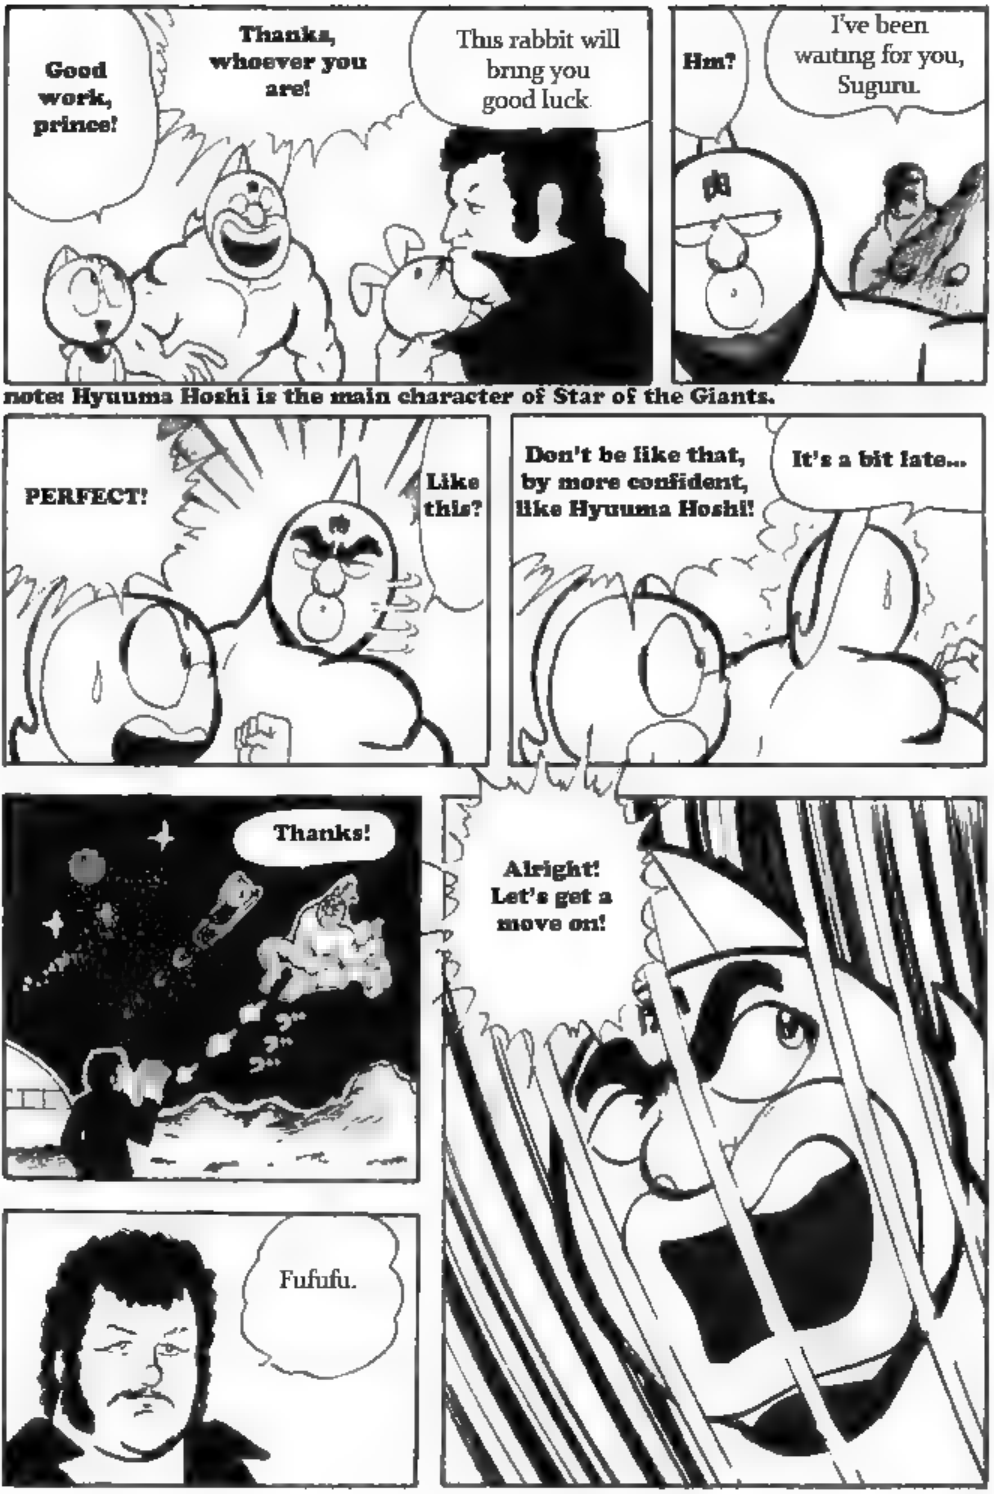
Gently holding the rabbit, Robin Mask heads back to Earth.



Darn, I was hoping they were real rabbits!

I love Morinaga brand Cocoa!
First, a drink!

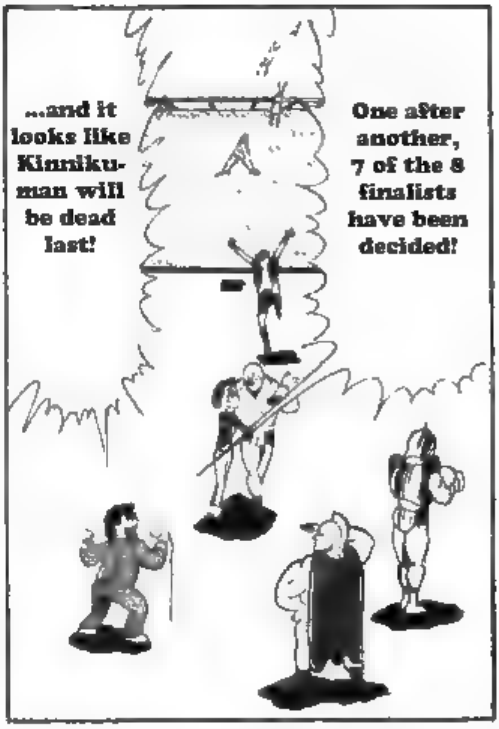
I don't see any rabbits...
Finally made it.



note: Hyuuma Hoshi is the main character of Star of the Giants.

When he gets back to the ground!
If things go like they should,
Hey, stop that this instant!
He fell right into our trap!
Oh, we're singing?
The rabbit is a bomb!
Followed closely by Terry-man.
Robin Mask is arriving at the finish line as we speak.
...but you're doing it...
The Olympics will be a blast!

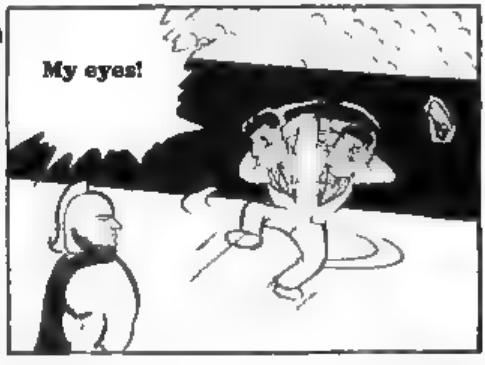
おやー
Don't count him out yet.
What do you mean?
Subue the king! What is he doing!?



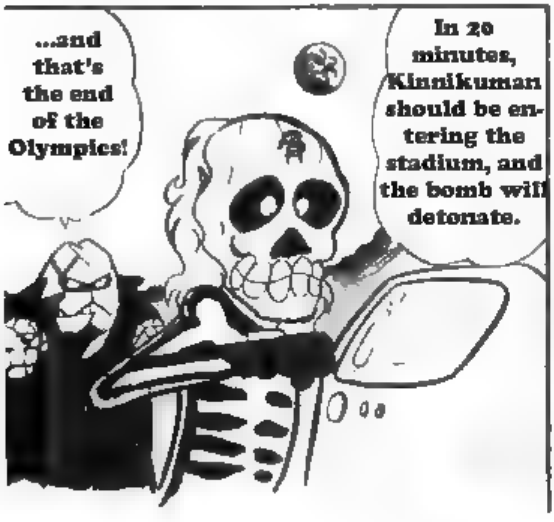
...and it looks like Kinnikuman will be dead last!
One after another, 7 of the 8 finalists have been decided!

Ow.
This.

I wonder what's keeping Suguru...

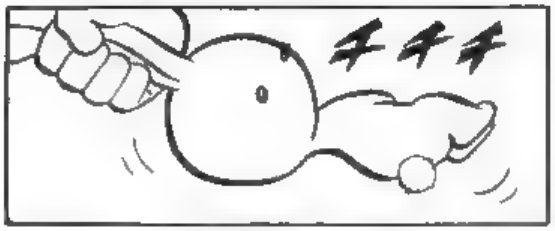


My eyes!

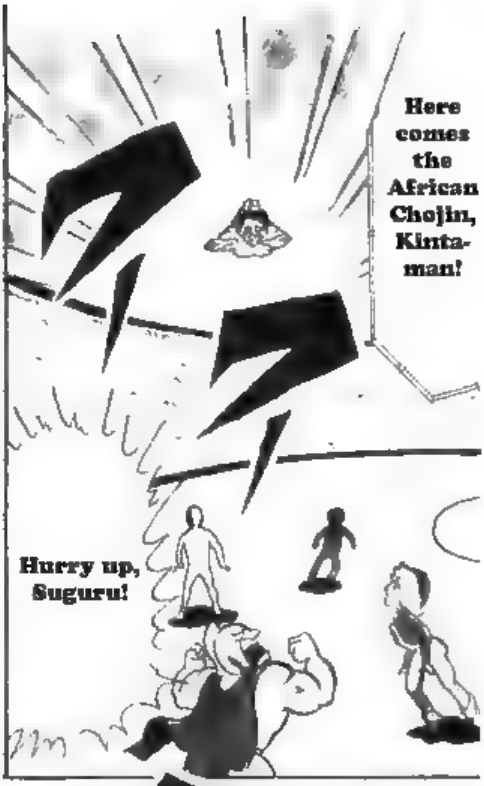


...and that's the end of the Olympics!
In 20 minutes, Kinnikuman should be entering the stadium, and the bomb will detonate.

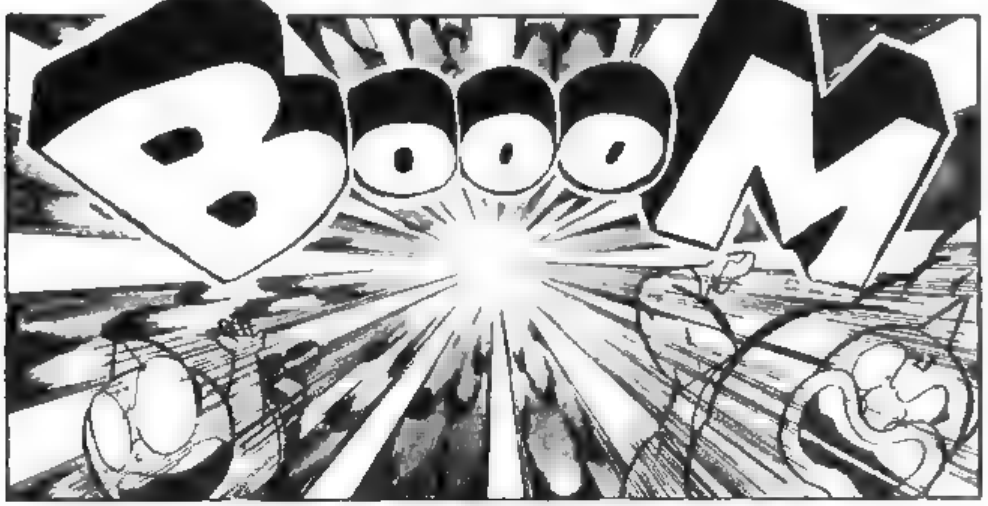
We're pretty far behind
ブブブブ



チチチ

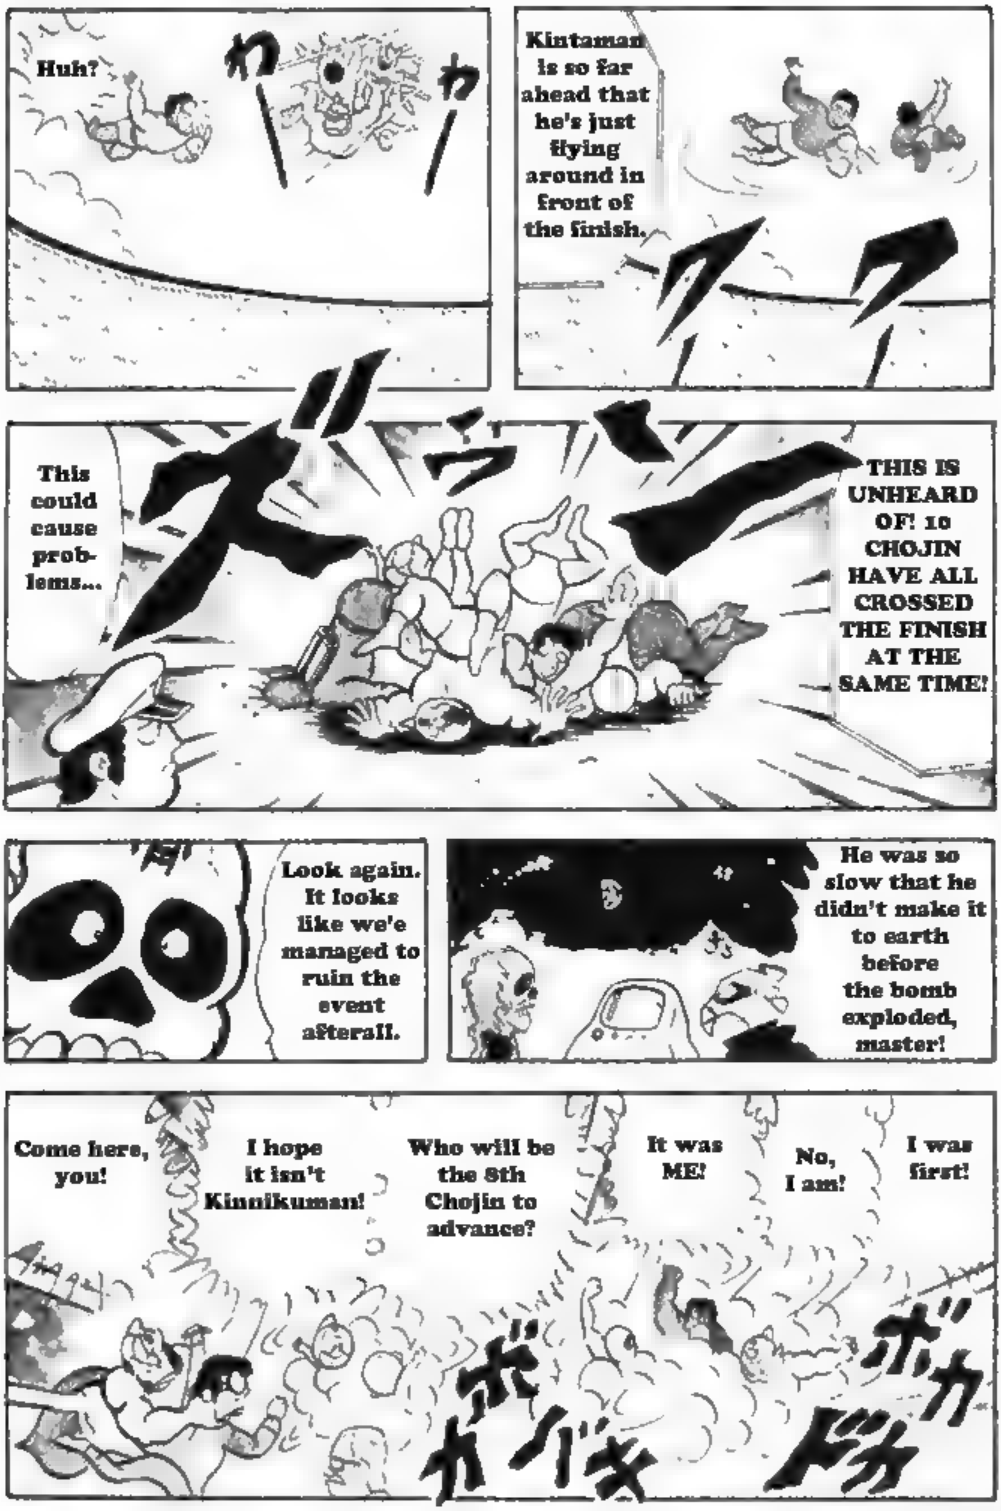


Here comes the African Chojin, Kinta-man!
Hurry up, Suguru!



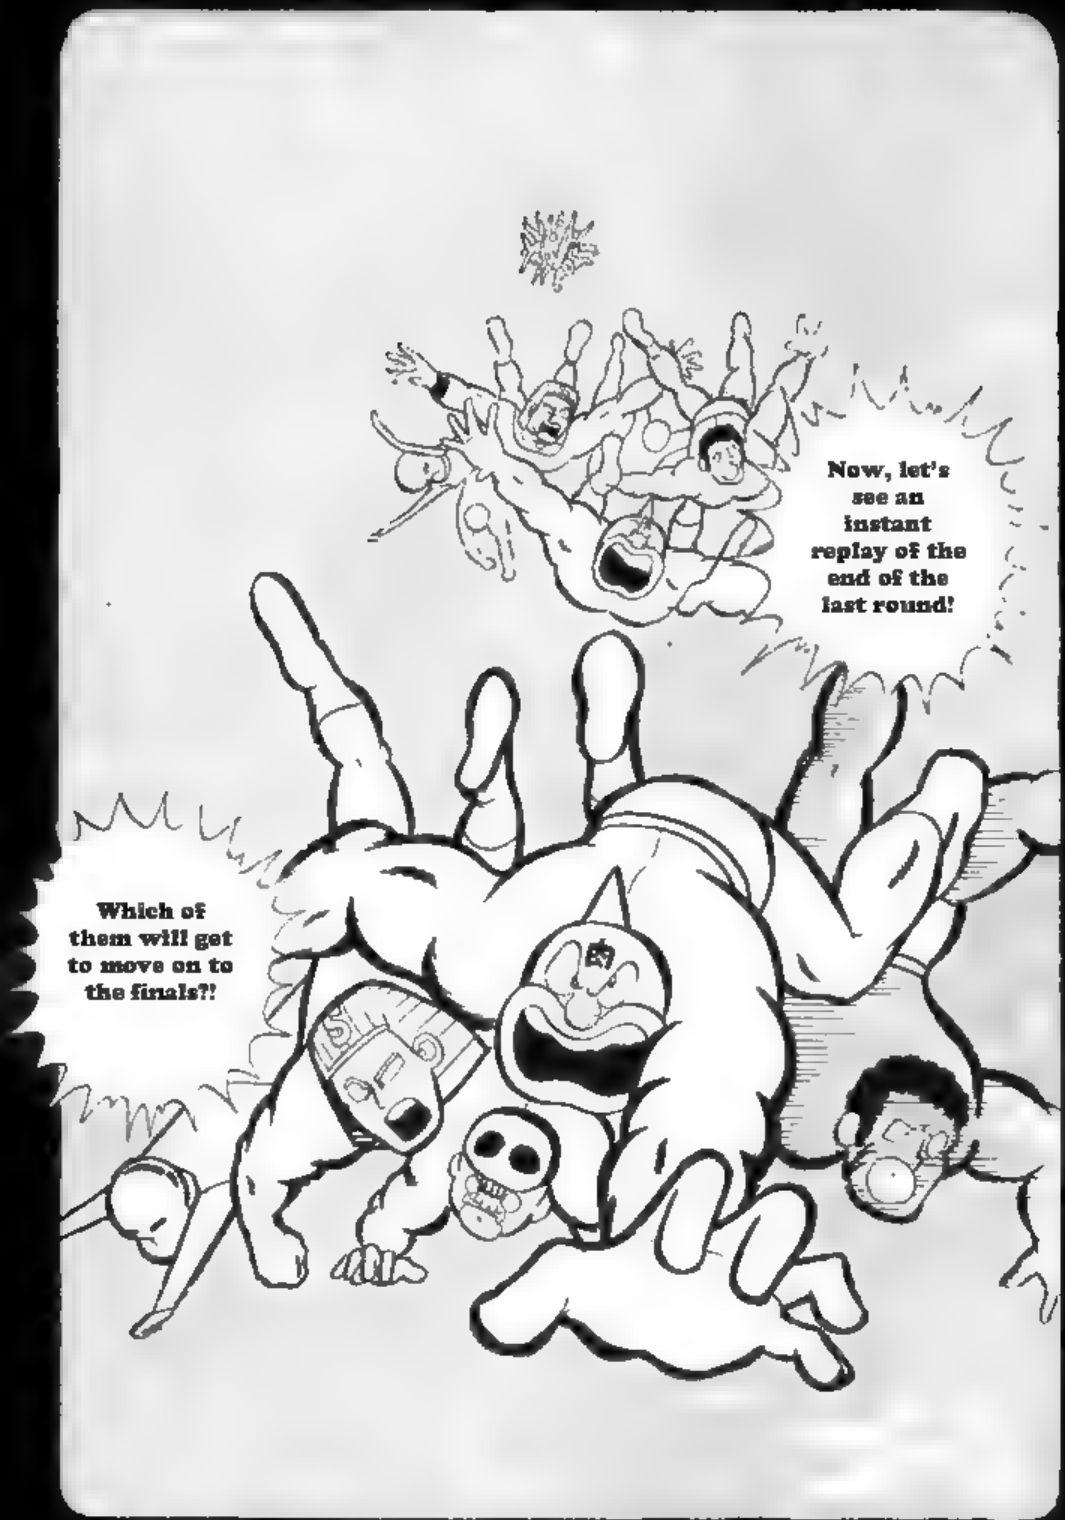
BOOOM

わー
Wow, what an explosion!

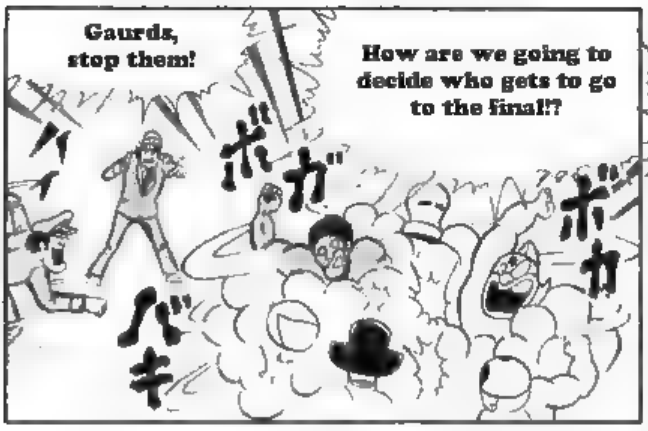


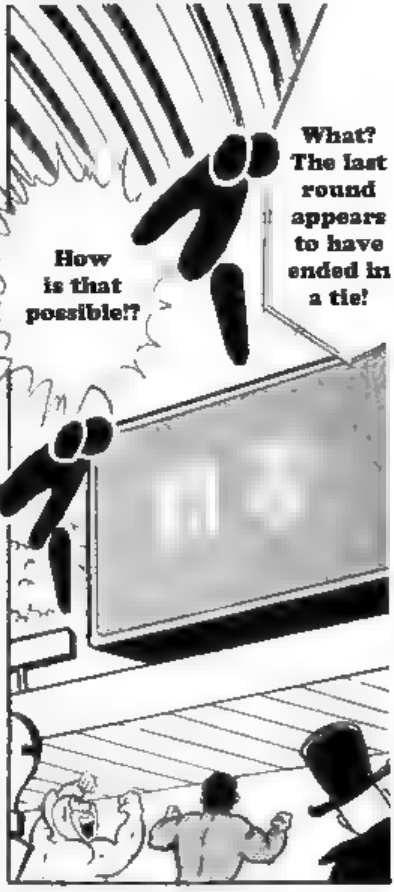
Huh?
Kintaman is so far ahead that he's just flying around in front of the finish.
This could cause problems...
THIS IS UNHEARD OF! 10 CHOJIN HAVE ALL CROSSED THE FINISH AT THE SAME TIME!
Look again. It looks like we'e managed to ruin the event afterall.
He was so slow that he didn't make it to earth before the bomb exploded, master!
Come here, you!
I hope it isn't Kinnikuman!
Who will be the 8th Chojin to advance?
It was ME!
No, I am!
I was first!

The 8th Finalist!



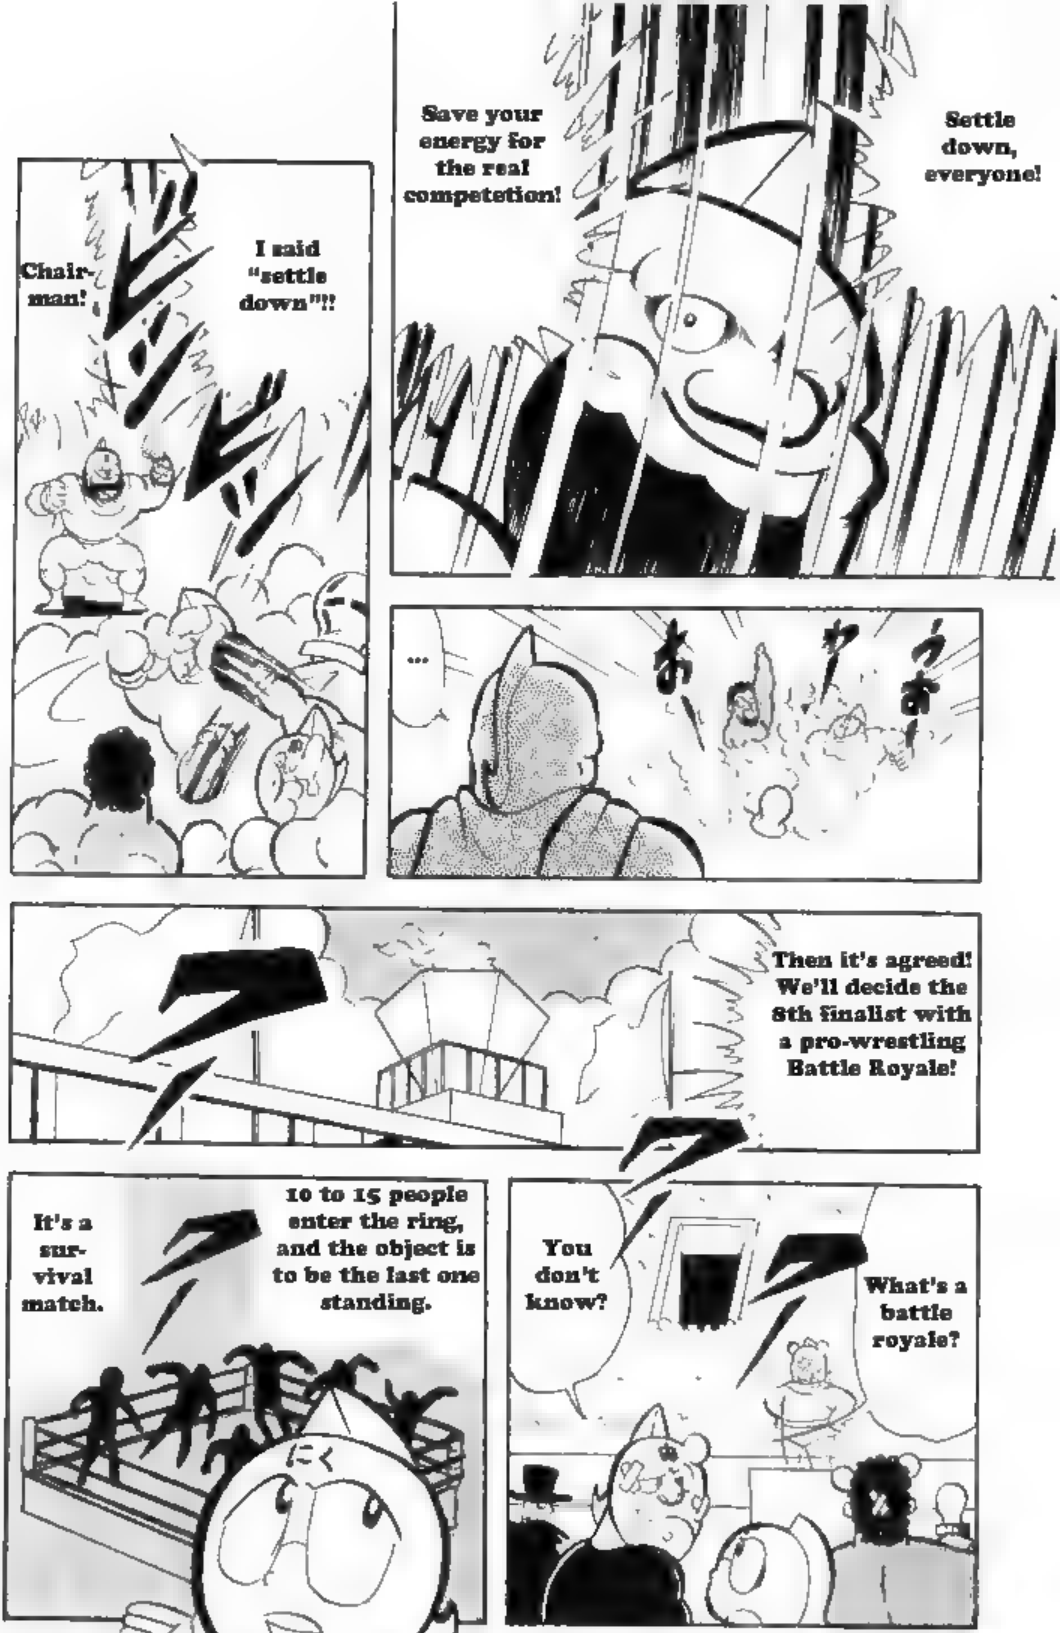
Translation by Stranger Ataru
Typesetting and cleaning by Tash



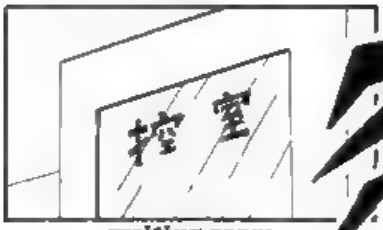


Note: used to use "Aderans", now using "wig"

KIMIKO!
Then sprinted back to his seat.
He slowly took three steps back...
At that moment, Kazuo was overwhelmed by the terrifying power of the Chojin...
Ah!
Stupid octo-baby!
You shouldn't have even bothered trying!
Keep it down, I'm busy...
Listen up!
Go for it, Suguru!
MAYUMI!
Just let me handle this, I know what I'm doing.
This is the 365th time I've had to make a ruling.



Save your energy for the real competetion!
Settle down, everyone!
Chair-man!
I said "settle down"!!
...
おやぁ
Then it's agreed! We'll decide the 8th finalist with a pro-wrestling Battle Royale!
It's a sur-vival match.
10 to 15 people enter the ring, and the object is to be the last one standing.
You don't know?
What's a battle royale?



waiting room

...and so we're here at the Kuramae Kokujikan, where the tie-breaker will be held shortly.
It looks like the other 7 finalists have nothing to do but watch.

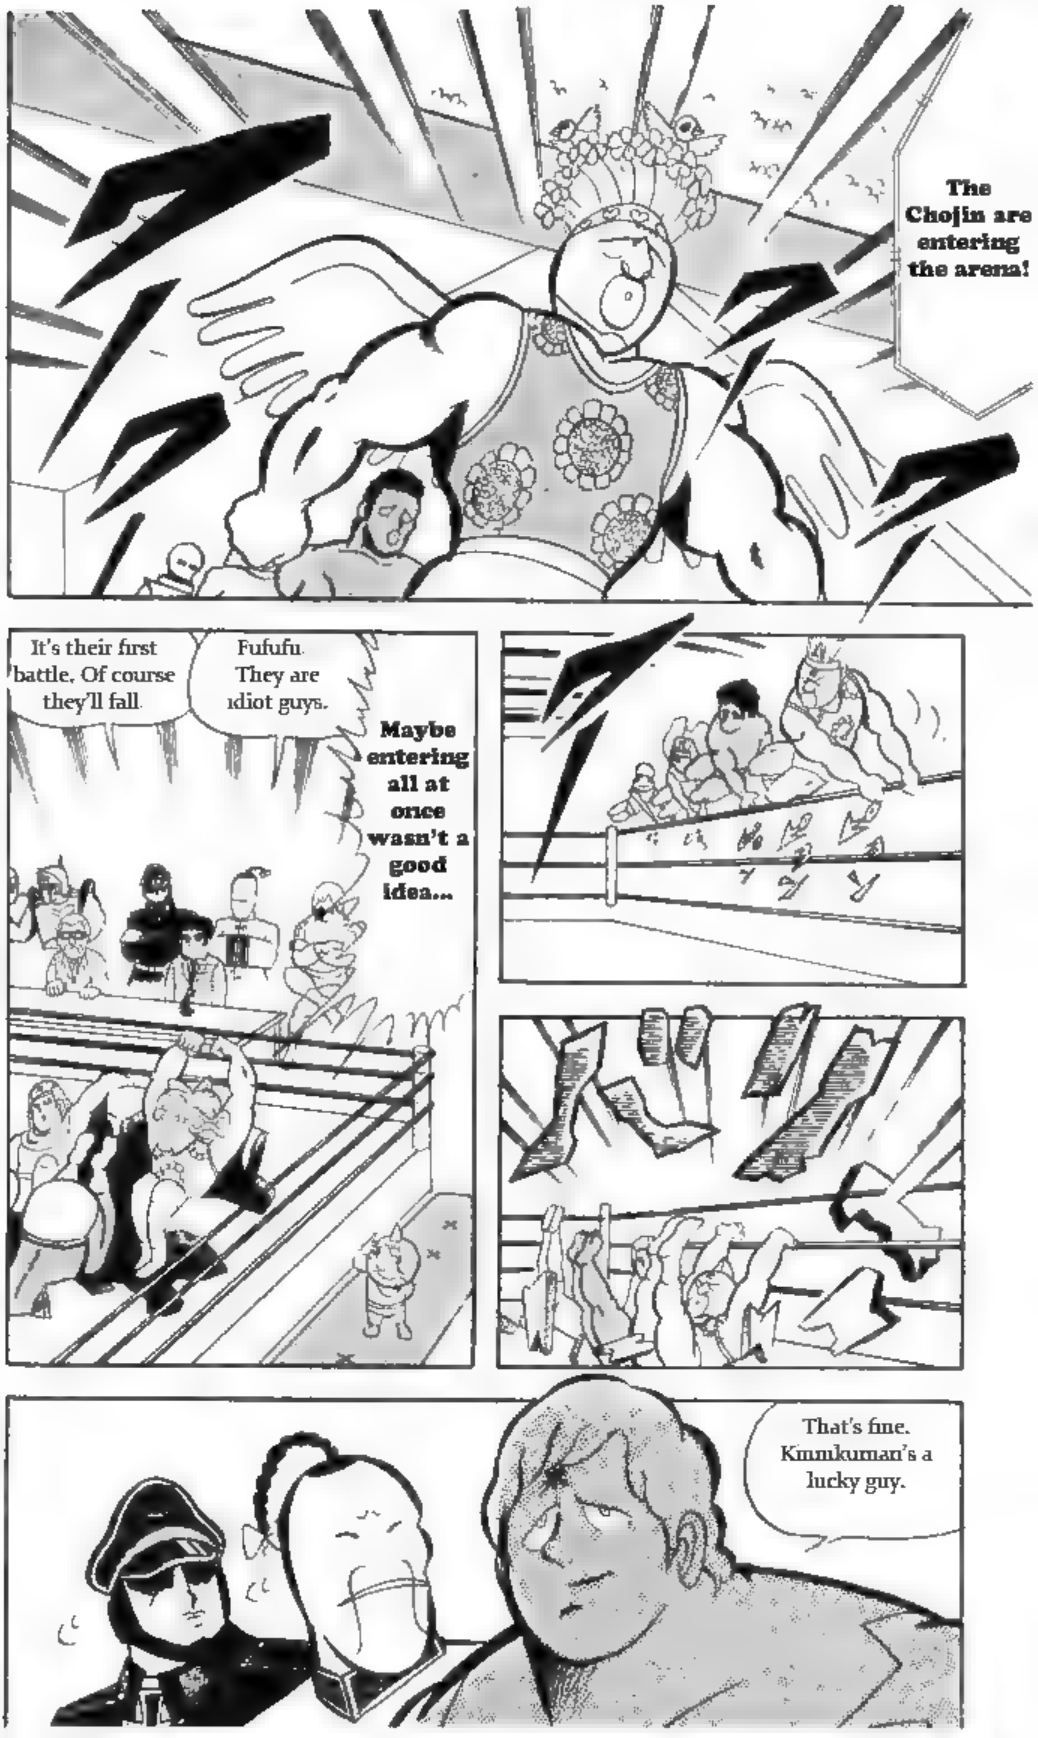
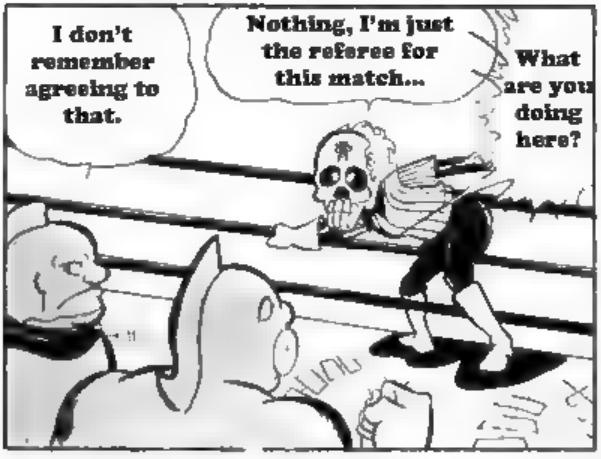
Secrets of Kinnikuman!
His Birthplace is Planet Kinniku, the first planet in the Great Kinniku Cloud fifty-billion light years from Earth.
His Birthday is unknown, age is around 20?
He grows huge and is revived by eating garlic!?
His deadly technique is the Kinniku Flash!
His favorite foods are Yoshinoya Gyudon and Morinaga brand Cocoa.
His weaknesses are cute girls and milk.
He is clumsy and irresponsible and such, but he really is burning in justice to protect Earth.

Alright, let's hit the ring!

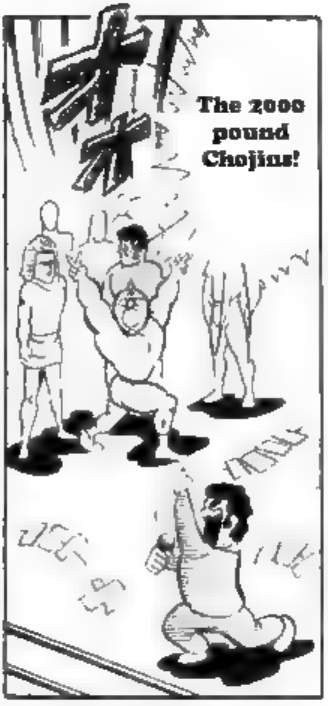
Kabuki Commercial break time!



The Chojin are entering the arena!
It's their first battle. Of course they'll fall.
Fufufu. They are idiot guys.
Maybe entering all at once wasn't a good idea...
That's fine. Kinnikuman's a lucky guy.

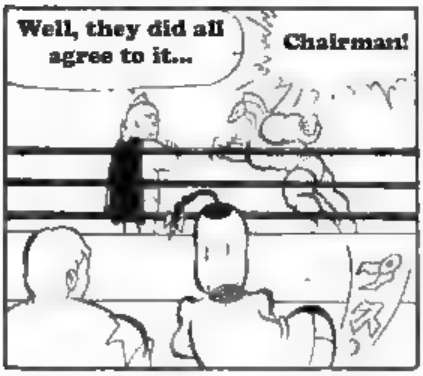


I don't remember agreeing to that.
Nothing, I'm just the referee for this match...
What are you doing here?



オオ
The 2000 pound Chojins!

That's a load of bull!
The other 9 Chojin all did.

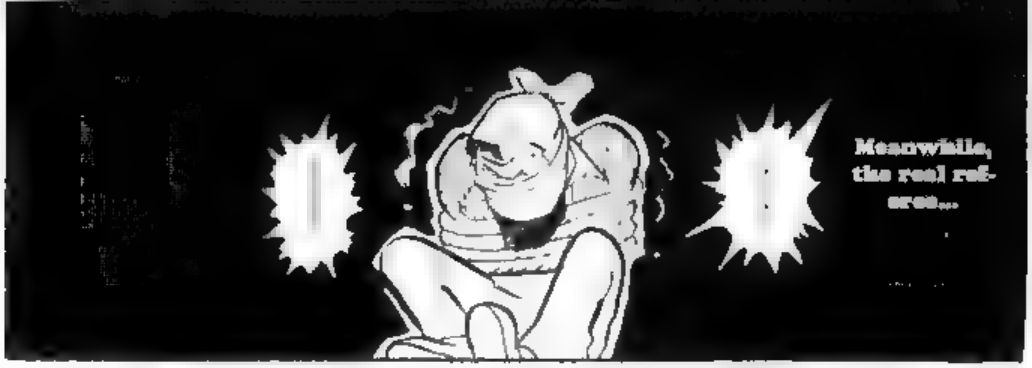


Well, they did all agree to it...
Chairman!

ズル
No, he's right. We did.

Sorry, I am just a quiet and patient man, but my body sometimes will act on it's own.
Yeah, something's not right...

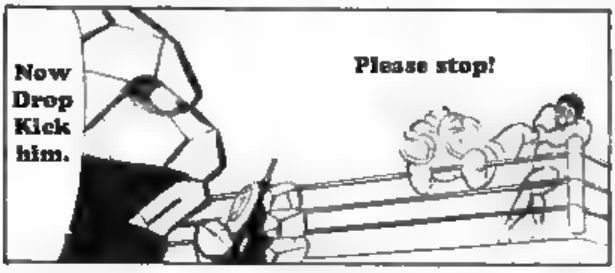
ドォ
This stinks.



Meanwhile, the real referee...

Don't hurt me.
There's the bell, and it looks like they're all after Kinnikuman!

The bell is about to ring...
Alright, this is just a battle of fighting from the start.
If you can wait it out until there are only a few left, you can just finish them.



Now Drop Kick him.
Please stop!

Alright, Chojin!

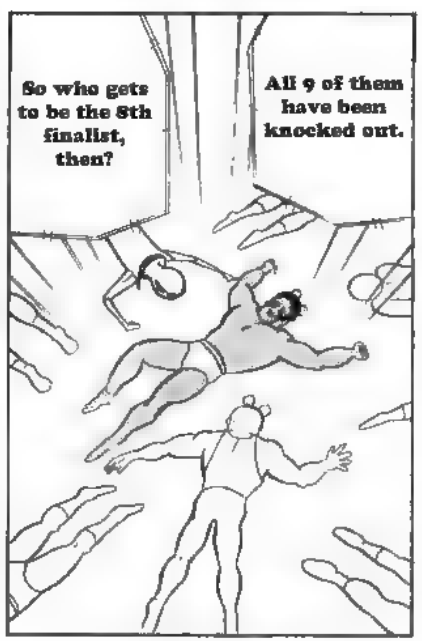
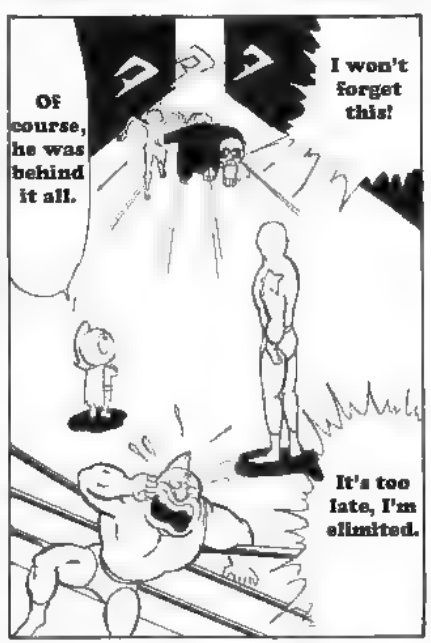
Look, here comes the real referee!
We found him!



So who gets to be the 8th finalist, then?
All 9 of them have been knocked out.

It looks like the competition already started!
Where are we>
Let's go!
ガガバキ



Of course, he was behind it all.
I won't forget this!
It's too late, I'm elimited.

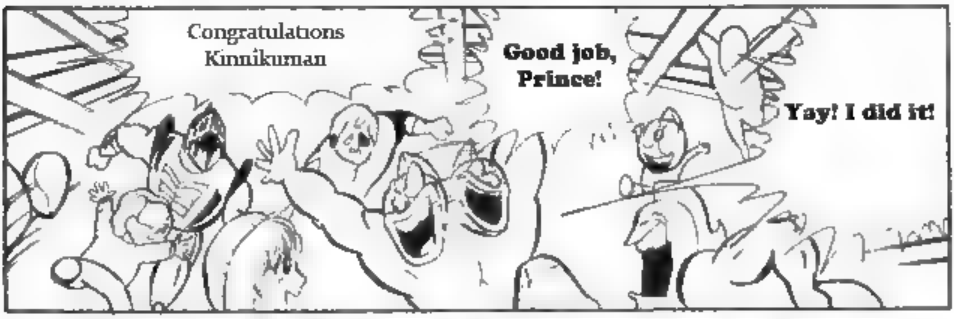
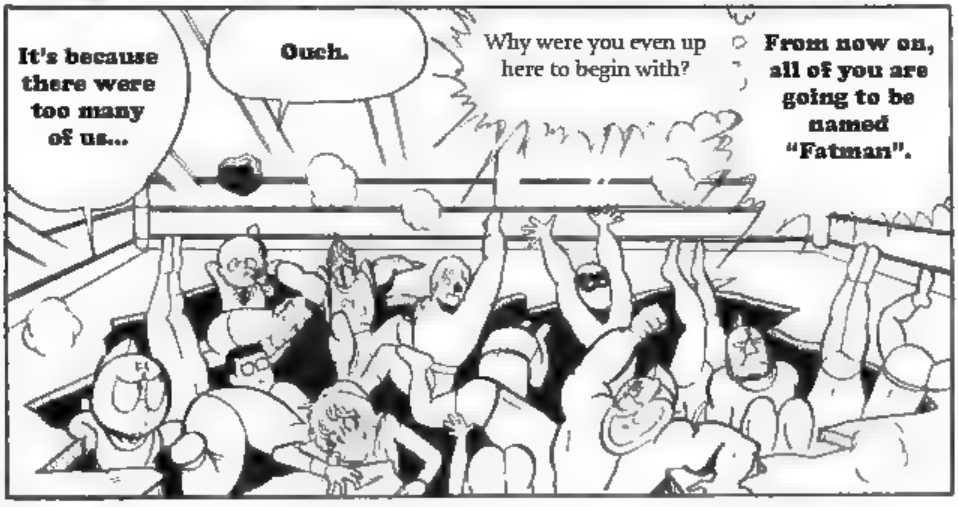
Maybe he's going to ask her opinion?
Is he going to consult the old cashier woman?
He must need some time to think.
He's leaving the ring.
I wonder what's going on in his head?
His ways are mysterious to us...
He's handing her a 1000 yen bill.
He's giving his verdict...
I love Morinaga brand cocoa!
So the 8th finalist is...
All nine of them are dead.
That was just a cocoa break...
Okay!

He did it!

KINNIKUMAN, BY DEFAULT!



Congratulations Kinnikuman
Good job, Prince!
Yay! I did it!



It's because there were too many of us...

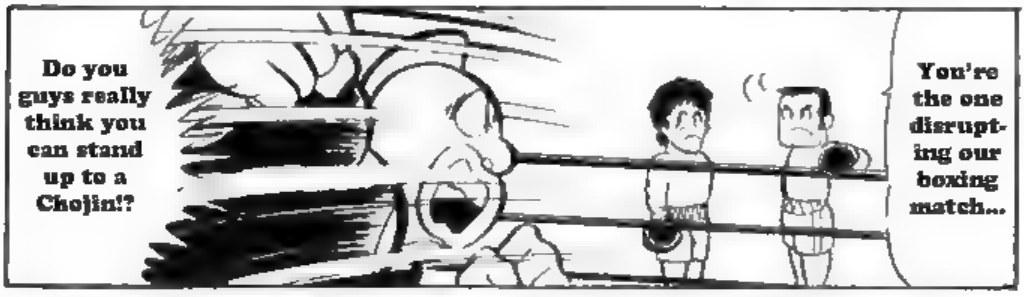
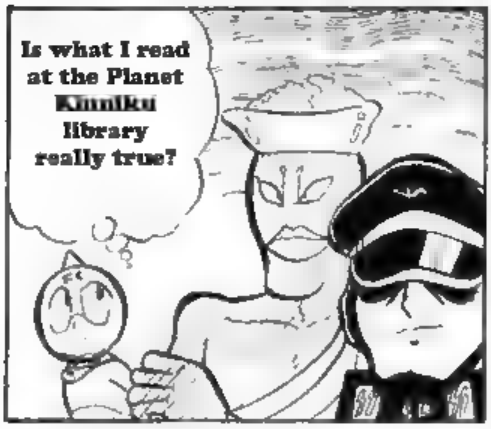
This match will be brought to you live over the radio.
We're here at Kourakuen Hall, where the first match in the B-block, Ramenman vs. Brockenman, will begin as soon as the currently in-progress boxing match concludes.
Hey boxers, you're disrupting our tournament!

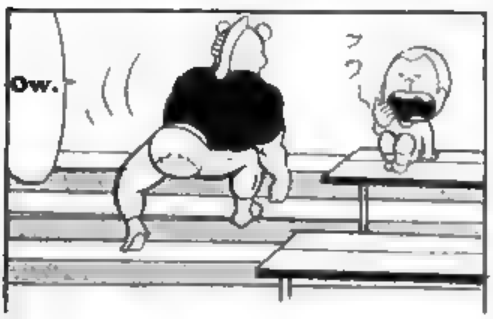


Do you guys really think you can stand up to a Chojin!?
You're the one disrupting our boxing match...



Is what I read at the Planet Kinniku library really true?

OOF!



Ow.

Al-right, who did this?

Both of them are back in their regular sizes, and plummiting to the ring!

It won't be long now until the second match of the A-block, Skyman vs. Terryman!
But first, let's hear what the previous champion, Robin Mask, has to say about this match!

Amazing.
You can do this, young Chojin!
That's all you have to say?
It'll be a battle in the sky
Hey!
Stop shaking it!
YOU CAN DO IT!
わはははは
Until then, here's the second match of the B-block, Kinnikuman vs. Curry Cook!
Prince?
Where did he run off to?
In just a moment, Terryman and Skyman will enter the arena!

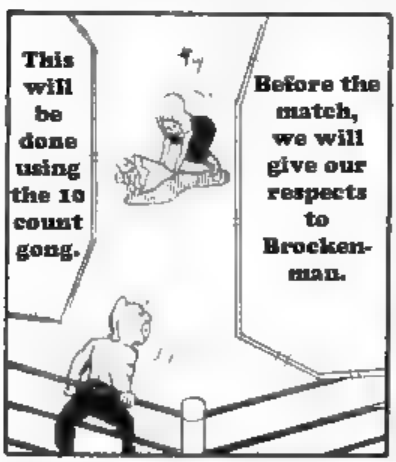
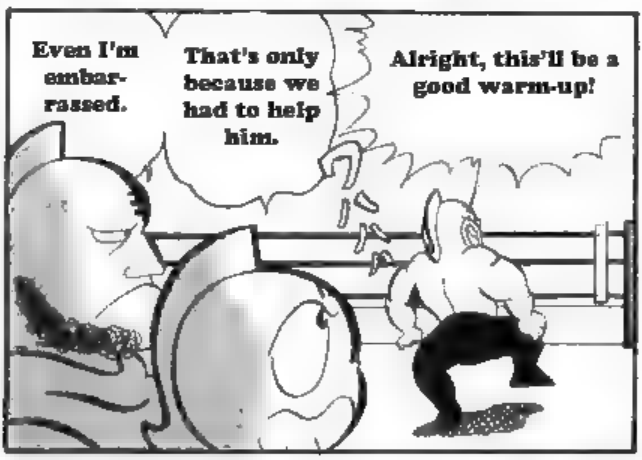
Is the prince of Planet Kinniku afraid of Kappa, now?



This will be done using the 10 count gong.
Before the match, we will give our respects to Brocken-man.



Even I'm embarrassed.
That's only because we had to help him.
Alright, this'll be a good warm-up!

This is too forboding...

Terryman, do you surrender?
Terryman's looking a bit groggy. Has he lost his energy!?
